17th June 2019

Dear Parents/Carers

As many of you may be aware, Ms Carter will not be in school this week as her mother has been admitted to hospital and she has gone to Wales to be with her.

We have therefore decided to postpone the year 2 & 3 Sleepover scheduled for later this week as the children would not been able to participate in the full range of activities that we have organised.

I know that your child will be disappointed but please assure them this will be rescheduled at the earliest opportunity so that they do not miss out.

Apologies for any inconvenience caused.

Yours sincerely

Sharon Brolly
Chair of Governors
