Happy New Year!

It's not the start that we all hoped for but we have adjusted rapidly once again and are working tirelessly to ensure that the children can continue their learning at home and in key worker school.

Thank you to all the staff this week for their incredible efforts - bit by bit, we are getting there but please email if you require assistance with logins and passwords. The joys of the digital world!

We have had lovely responses about our online provision, including recorded and live lessons. These will be increasing next week and teachers will contact you in advance to let you know when these are happening.

And finally, I would like to thank all of you - our wonderfully resilience and adaptable children and families. We appreciate how much everyone has to juggle at the moment but please remember that if the online learning is getting too much, down tools and do some baking, singing, reading, bird-watching, making snow angels and spending quality time together.

Have a very lovely weekend!

Critical Workers

If you are unsure whether you are a critical worker, the list can be found on the gov.uk website.

Please note: government advice states that critical workers should keep children at home when they can - please only send your children in on days that all parents/carers are working.
