20th October 2020

Dear Parents/Carers,

During the week commencing 2nd November 2020, Year 4 children will be completing a unit of work focusing on the human body and personal hygiene, as part of their Science and PSHE (Personal, Social, Health Education & Citizenship) study.

In Year 4 the focus will be on naming body parts, and personal hygiene routines. This covers the work normally done in Year 3, which did not take place this summer due to school closure. We will be following the Cambridgeshire PSHE scheme of work and believe that the materials deal with this matter in an objective, balanced and sensitive manner.

Work on body change and puberty will take place at a later stage, in Years 5 and 6.

If you would like more information, please contact your child's class teacher.

Yours sincerely,

The Year 4 Team
