PSHE & RSE Parent Views

Dear parents and carers,

At St Mary's, and in line with Cambridgeshire guidance, our pupils receive and engage with Personal, Social, Health & Economic (PSHE) education, including Relationships & Sex Education (RSE) through directed lessons, group activities, circle times and assemblies as appropriate. However, in light of government guidance announcing PSHE & RSE to become compulsory in schools this academic year, we felt it timely to consult with parents to ensure we continue to provide you with the information you need about these subjects, and to hear how you feel about PSHE and RSE education.

Please follow this link to answer a short questionnaire to share your views. At the end is an opportunity to also note any questions you may have about the PSHE & RSE curriculum. Whilst we are unable to respond to each question individually, we aim for your responses to inform our next steps and future information sharing.

Thank you for taking the time to work with us. We feel strongly that high quality, age-appropriate teaching of these subjects can help prepare pupils for the opportunities, responsibilities and experiences of adult life.

Kind regards,

Mrs A Wyatt
PSHE Leader
