Please note the following, and discuss the below expectations with your child should s/he be successful in obtaining a place in one of the Clubs on offer:

Clubs – Expectations of Attending Pupils

There is an expectation that:

- Pupils attending a Club will follow the school rules of being respectful, ready and safe at all times. Our expectations in terms of behaviour remain the same as during the school day.
- Pupils attending the Club will have visited the toilet on their way from their classrooms to the room where the Club is taking place (ie in advance of arriving, and before the session gets underway).
- Children will not leave the room where the Club is taking place when the Club is in session except in very exceptional circumstances, and only then in pairs.
- Pupils will not walk around the school in bare feet.
- Pupils attending a Club involving physical exertion will be encouraged to bring a drink to the session so that there will be no need for them to leave the room to get a drink.
- Pupils will remain under the supervision of the Club Leader in the area designated for the Club throughout the session.

Thank you for your support.
