29<sup>th</sup> June 2021

### Relationships Education

Dear Parents/Carers,

During the week commencing 12<sup>th</sup> July 2021, Year 4 children will be completing a unit of work focusing on the main stages of the human life cycle, how a baby is made in simple terms and family responsibilities as part of their Science and PSHE (Personal, Social, Health Education & Citizenship) study.

We will be following the Cambridgeshire PSHCE scheme of work and believe that the materials deal with this matter in an objective, balanced and sensitive manner.

Work on body change and puberty and reproduction will take place at a later stage, in Years 5 and 6.

If you would like more information, please contact your child's class teacher.

Yours sincerely,

Mrs Wyatt (PSHCE Lead) & The Year 4 Team
