23<sup>rd</sup> February 2021

Dear Parents/Carers,

I am sure you will all have heard that all our children will be coming back on the 8th March and I cannot tell you how excited we are to see everyone again. I will be writing to you early next week with full details about reopening, but I wanted to make you aware of our expectations for school uniforms so that you start to get things ready.

We appreciate that many children will have grown over lockdown and with non-essential shops remaining shut for some time yet, we understand that it may not be possible to get new uniform at short notice. Our expectation, however, is that children will continue to attend school wearing appropriate school colours and suitable footwear for exercise.

- Clothes should be in school colours – blue and green tops with grey/black bottoms (please refrain from sending in children in brightly coloured clothes, including jumpers)
- Clothes should be smart – no jeans or labelled clothes
- Clothes should be appropriate for school

After Easter, we will be expecting all children to be full school uniform as set out on our website with no exceptions.

If you need any assistance with clothing for school return, then do email us on [enquiries@esm.school](mailto:enquiries@esm.school) and we will see what we can do.

Wishing you all the best

Mrs Ireland-Curtis
