Dear Parents/Carers,

I have been made aware that children, approximately aged Year 5 and 6, were seen entering Ely Cemetery on Saturday evening and behaving in a disrespectful manner by kicking flowers and having water fights using the watering cans and water supply provided on site.

We have informed concerned local residents that they must inform the police if they see children within the cemetery acting in an inappropriate manner, so that this can be dealt with appropriately.

You will appreciate, it is my duty to bring this to your attention so that you can ensure you know where your children are when they are out playing in the local area. I would be disappointed to think it was any of our children acting in such a disrespectful manner and would appreciate your support in being able to encourage your children to make the right behaviour choices whilst exploring their independence.

Thank you for your continued support.

Kindest regards

Beccy Ireland-Curtis
Headteacher
