Dear Parents/Carers

Further to recent government guidance, we are looking to extend our provision to year 5 pupils. This would be from the week starting Monday 29<sup>th</sup> June.

Depending on numbers, we may look at providing for Year 5 pupils across the two KS2 classrooms meaning most will be working with the Year 6 pupils with Miss Neil but some may be with the Key worker pupils with Mr Birchall. All Year 5 and 6 pupils will continue to work from Miss Neil's planning.

We will continue to ensure that class sizes remain below 15 according to government guidance and will ensure maximum spacing in the class between individual desk spaces (unless they are siblings).

In order to aid our planning, please could you indicate by return if you would like your Year 5 child to have a place from Monday 29<sup>th</sup> June, or not. Please reply either way to [secretary@sithney.cornwall.sch.uk](mailto:secretary@sithney.cornwall.sch.uk) It is expected that if your child returns to school, that this would be full time until the end of term and would be within the staggered timings of the class they would be working in.

As soon as we have prospective numbers we can contact you with further details and confirmation of a place.

Kind regards
