Dear Parents/Carers,

I am not sure where the week has gone! There has been so much going on. The week has flown by and the children continue to work hard. It has been great to see some of the home learning that the children are completing, often with the help of adults at home which we encourage as it gives you the chance to support your children. Your child will have brought home another 'Knowledge Organiser' linked to their topic for this term. This helps you to see all of the key knowledge they will be taught this term and links to some of the homework activities.

Book Hunt

This week in conjunction with the Family Learning Team at Lincolnshire County Council week launched our 'Book Hunt' in school. Some of our grown ups have hidden their favourite books with a message around the school for the children to find. They can then take the book home to read, read it to their class or with some younger/older children and then rehide the book for other children to find. Today Lacey in Year 5 found a hidden book, by Lincoln City footballer Harry Toffolo he loves reading 'Paw Patrol' to his two sons.

If your child finds a book in school and brings it home please find some time to share the book with your child. If you can get a photo please email it to school (enquiries@chapel-cit.co.uk).

There will lots more books hidden for the children to

Parent Survey

Thank you to all of the parents and carers have completed our survey so far. There is still time to return any completed forms.

Children's Chat

The children in Mr Shaw's after school club have been very busy creating their own school newspaper in the style of Chapel Chat called Children's Chat this is shared with our classes on a Friday afternoon but also can be found under the 'Parents' tab on the school website.

Breakfast Club

Breakfast club runs from 7.45am every morning that school is open until the start of the school day. The children are able to enjoy breakfast and take part in some fun activities supervised by our staff. This gives the children a really positive start to the day and also helps some of our parents and carers who need to drop off early due to work commitments.

The charge for breakfast club is very reasonable. It is £1 a session (regardless of drop off time) or is available for free if your child is eligible for the Pupil Premium. Children must also be dropped off by parents at the club not sent in unaccompanied.

We would ask that if your child does not have breakfast at breakfast club they do not bring their own breakfast with them but have it at home before coming to breakfast club. They can only eat food provided by Breakfast Club at Breakfast Club.

We are really pleased to tell you we will be offering warm options of Porridge or Ready Brek alongside cereal and toast every morning and also Baked Beans on Toast on Monday and Friday and Scrambled Egg on Toast on a Wednesday.
