Dear Parents/Carers,

Christmas has arrived this week with Year 3 and 4 singing for us on Tuesday afternoon, our Christmas Jumper Day and Christmas dinner on Wednesday followed by singing 'Around the Tree'. We hope that the children are ready for a well deserved break. A special thanks must go to Mrs Richardson and Mrs Cook in the school kitchen who produced a wonderful Christmas Dinner on Wednesday. It was a lovely occasion with the whole school eating together.

As 2019 draws to a close I would like to thank children for their hard work and our parents and carers for their support. My final thanks goes to our dedicated and committed staff. All of the staff work incredibly hard every day to provide the very best for our children. I feel privileged to work with a group of staff who care so much about the children, the school, each other and the work they do.

As the term draws to a close I would like to wish all of our children and their families a safe and peaceful break.

Merry Christmas and a Happy New Year

Christmas Craft Fair

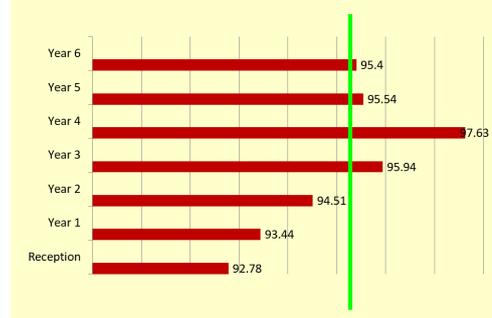

Thank you to everyone who came along to our Christmas Craft Fair the children loved sharing their creations with their parents/carers and we appreciate the support of everyone who came. We raised £240 which is an excellent achievement each class will be able to choose how they spend some of the money raised.

Times Table Rockstars: Christmas Rock Challenge

We are setting the children in Year 2 to Year 6 a TT Rockstar Christmas Challenge. Children have to complete at least 15 games in the garage that's only about one game each day. They can of course do all of their games at once or do even more games! The challenge starts at 3.15pm on Thursday 19th December and finishes at 8.00am on Monday 6th January 2020.

There will be prizes and certificates for the most games and highest scores in each class and across the school when we return in January.

We will also reward the classes where all of the children have completed the challenge.

You can access TT Rockstars on a laptop, desktop computer or on tablets and mobile phones by downloading the 'app'.
