

Racial Equality Policy

1 Introduction

- 1.1 The mission statement of our school talks of valuing the individuality of all our children. We are committed to giving all our children every opportunity to achieve the highest of standards. Within this ethos of achievement, we do not tolerate bullying and harassment of any kind. This policy helps to ensure that this school promotes the individuality of all our children, irrespective of ethnicity, attainment, age, disability, gender or background. We aim to reflect the multi-ethnic nature of our society and ensure that the education we offer fosters positive attitudes to all people.
- 1.2 This policy reflects the general and specific duties on schools as detailed in the Equality Act 2010. This policy must be read in conjunction with other related school policies – Anti-bullying, Equal Opportunities, Inclusion and Special Educational Needs.

2 Aims and objectives

- 2.1 In our school we aim to tackle racial discrimination and promote equality of opportunity and good race relations across all aspects of school life. We do this by:
- creating an ethos in which pupils and staff feel valued and secure;
 - building self-esteem and confidence in our pupils, so that they can then use these qualities to influence their own relationships with others;
 - having consistent expectations of pupils and their learning;
 - removing or minimizing barriers to learning, so that all pupils can achieve;
 - ensuring that our teaching takes into account the learning needs of all pupils through our schemes of work and lesson planning;
 - actively tackling racial discrimination and promoting racial equality through our curriculum, newsletters to parents, displays of work and initiatives such as "Day for Change";
 - regular consultation with parents/carers and members of the local community, so that they are well informed of our policy and procedures;
 - making clear to our pupils what constitutes aggressive and racist behaviour;
 - identifying clear procedures for dealing quickly with incidents of racist behaviour;
 - making pupils and staff confident to challenge racist and aggressive behaviour.

3 Teaching and learning style

- 3.1 We aim to provide all our pupils with the opportunity to succeed, and to reach the highest level of personal achievement. To do this, teaching and learning will:
- ensure equality of access for all pupils and prepare them for life in a diverse society;
 - use materials that reflect a range of cultural backgrounds, without stereotyping;
 - promote attitudes and values that will challenge racist behaviour;
 - provide opportunities for pupils to appreciate their own culture and celebrate the diversity of other cultures;
 - seek to involve all parents in supporting their child's education;

Racial Equality Policy

- provide educational visits and extra-curricular activities that reflect all pupil groupings;
- take account of the performance of all pupils when planning for future learning and setting challenging targets;
- make best use of all available resources to support the learning of all groups of pupils.

4 Tackling racial harassment

4.1 Any incident of racial harassment is unacceptable in our school. Incidents could take the form of physical assault, verbal abuse, damage to a pupil's property or lack of co-operation in a lesson, due to the ethnicity of a pupil. Any adult witnessing an incident or being informed about an incident must follow these agreed procedures:

- stop the incident and comfort the pupil who is the victim;
- reprimand the aggressor and inform the victim what action has been taken;
- if the incident is witnessed by other pupils, tell them why it is wrong;
- report the incident to the headteacher or deputy headteacher and inform her of the action taken;
- inform the class teacher(s) of both the victim and the aggressor, then record what happened and complete a racial incident on the in-line reporting system CPOMs;
- inform both sets of parents, if appropriate.

5 Policy into practice

5.1 Each policy written has an integral equal opportunities statement.

6 Policy impact

6.1 We have a rolling programme for reviewing our school policies. We regularly review the impact of our policies on the needs, entitlements and outcomes for pupils, staff and parents from different racial groups. We pay specific reference to the impact that our policies have on the attainment of pupils from different racial groups.

6.2 We make regular assessments of pupils' learning and use this information to track pupils' progress, as they move through the school. As part of this process, we regularly monitor the performance of different racial groups, to ensure that all groups of pupils are making the best possible progress. We use this information to adjust future teaching and learning plans, as necessary. Resources are available to support groups of pupils where the information suggests that progress is not as good as it should be. The governing body receives regular updates on pupil performance information.

6.3 School performance information is compared to national data and LEA data, to ensure that pupils are making appropriate progress when compared to all schools, and to schools in similar circumstances.

6.4 As well as monitoring pupil performance information, we also regularly monitor a range of other information. This relates to:

- exclusions;
- incidents of racism, racial harassment and bullying;
- parental involvement;
- community involvement.

6.5 We consult with staff, parents and pupils about their opinions on the impact of our policies. Parents receive an annual questionnaire about the school and this
