

Sycamore Term 6 2019 Curriculum Web

English

Play scripts - focusing on classic children's stories

Children will explore the features of a range of different play scripts and then work together to write their own play.

Poetry - performance poems

We will look at how poetry can be performed, bringing the words to life.

The children will use different techniques to enhance their performance of poetry and develop meaning for the listener.

Bug Club Comprehension -

Non-fiction: All about snow

Fiction: Escape from Black Mountain

PSHE

Changing Me

Understanding how our bodies change as we grow. Understanding how our emotions change during this time and how we can manage these in our friendships and other relationships to ensure positive relationships.

Maths

Year 3:

Geometry: Properties of 2D and 3D shapes including looking at horizontal, vertical, parallel and perpendicular lines

Measurement: Measure, compare, add and subtract lengths, mass, volume and capacity

Arithmetic: Revisit mental and written strategies for the four operations: addition, subtraction, multiplication and division.

Year 4:

Time: Converting from analogue time to digital time on a 12 hour and 24 clock.

Statistics: Reading and interpreting bar charts, pictograms and line graphs

Geometry: Identify and compare angles, describe position, describe movement on a grid.

PE

Cricket with Acorn PE coach.

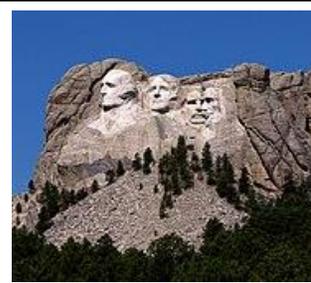

Interhouse Tournament and Sports Day practice. PE kit in every day.

Swimming every Monday.

Geography

North and South America.

Explore Carnival. Know key geographical features of the two continents.

MFL

Name, numbers and age recap.
Topic of food and drink likes and dislikes.

Art /DT

Making a wizards wand using 3D modelling - this will then be used in their production.

TERM 6 OPTIONAL LEARNING LOG: Weird and Wonderful

Please can you support your child to find out as much as they can and bringing in their learning to share with their peers. This term they could paint, sketch or make a 3D model of any weird and wonderful creatures native to the America's, or of the amazing geography such as Mount Rushmore, or about draw costumes / masks about South American carnival.

Things essential for the Production

Learn the lines and lyrics for the class production.

Design their costume for their character.

Music

Learning the songs for our Class Production of 'Whiz Wham Alakazam'

RE

What is it like to follow God?

Exploring the key concept of how people who follow God behave, and key bible stories about 'People of God' from Understanding Christianity.

Science

Electricity

Explore what materials conduct and insulate against electricity. Know the symbols for simple electrical circuits and components.

Construct simple series circuits (and potentially parallel) with lights and buzzers. Know how to open and close a circuit with a switch. Identify appliances that use electricity. Understand how electricity is measured (Volts and Amps).

We will also be having a visitor from FIZZPOP SCIENCE who will be doing weird and wonderful science with us.

Health week

Mental and Physical health through internet safety, yoga, mindfulness art, gardening, Sports day practice and Interhouse Tournaments (Cricket and Tennis).
