

## English/Literacy/C&L

This term Ash Class will start by exploring alliteration. We will be creating our own superhero character and writing what our super power is.

Our focus texts throughout the term will include 'The Mighty Splash', 'Spertato' and 'Superworm'.

Later on in the term we will look at comic strips and have a go at making our own.

## Maths/Number & Shape, Space and Measure

YR: Throughout the term the children will continue to practise counting forwards and backwards to 20 to make sure they can do it fluently. They will be working with money and matching coins to values. We will continue to chant in 2s, 5s and 10s

Y1: The children will continue to work on addition and subtraction as well as counting in 2s, 5s and 10s. They will be working on number and place value and multiplication and division.

## PSHE/PSED

Our PSHE lessons this term are focussed around the theme "Changing me" We will look at how we can keep ourselves fit and healthy through diet and exercise. We will also be looking at how plants and our bodies change as they get older.

## Computing/UtW

We will be looking at internet safety and using technology responsibly. The children will continue to use the laptops during the sessions to research information and play age appropriate games.

## Music/EA&D

Ash Class will be learning how music can be used to tell a story. They will identify contrasts of fast and slow, loud and quiet, leading to a performance.

### THIS TERM'S LEARNING LOG: Space

Due in By Friday 10<sup>th</sup> July

Here are some ideas you can do...

Write a superhero story

Make a comic strip

Describe someone who is your hero

Research a real life hero

**Please remember that the Learning Log should come into school every day even though daily work is not expected.**

## Science/UtW

In our Science lessons this term we will be looking at plants and what they need to survive and grow.

Hopefully the weather will be nice so that we can get outside and explore a variety of plants and trees within the school grounds.

## History/UTW

During the term we will be learning about the first moon landing and who the first person was to set foot on the moon.

## PE

This term we will be practicing for sports day. We will practice our throwing and catching skills and running in straight lines on the track.

## Art, Design and Technology/EA&D

Linking to our topic, we will be making a superhero cape and as always the creation station will be available for the children to create their own masterpiece using the various materials available.

## RE/UtW

Who were the important people of God.  
Knowledge of the disciples.
