

# Autumn Term 1 2018 Curriculum

## Maths

We will be learning to count forwards and backwards confidently as well as ordering and comparing numbers.

We will then move into addition and subtraction, learning strategies and methods to help solve them. Y1 will focus on finding up to 10 more and less than a number whilst Year 2 will be working with two 2-digit numbers.

Times tables will be practiced daily.  
2x 5x 10

## Science

Feeding and Exercise

- Exploring the basic needs for survival
- Using food chains
- Describing the importance of exercise, hygiene and nutrition

## English

Pine class will be reading 'The Ocean Star Express' and writing their own stories about an amazing train journey. We will then move on to non-fiction, looking at postcards and diaries.

The focus this term will be on punctuation and developing a neat handwriting style. We will also be learning how to make our writing more interesting with description.

## PSHE

Being me in my world. We will be thinking about what the different emotions are and how they make us feel.

## Humanities

We will be using globes and atlases to recap the location of the 7 continents and 5 oceans.

Pine class will also look at various land features, identifying and labeling them on a map.

## THIS TERM'S LEARNING LOG: Journeys

Due in By Friday 5<sup>th</sup> October

*Here are some ideas that you could do...*

*Choose a mode of transport and make a model.*

*Draw and label a picture of a mode of transport.*

*Write a story about an exciting journey!*

*Write a diary entry about a journey you have been on.*

**Please remember that the Learning Log should come into school every day even though daily work is not expected.**

## RE

Mrs Ryan will be taking the RE sessions and will be looking at a range of stories from different religions and what we can learn from these stories.

## Art/DT

We will explore with patterns inspired by the Montgolfier Brothers' hot air balloons, creating our own hot air balloon.

## Computing

We will learning about 'Technology in our lives' and then moving on to 'Algorithms'.

## History

Looking into journeys, we will learn about Christopher Columbus and his voyages around the world.

## PE

Fundamental movement skills with Mr McCarthy (Acorn PE). Netball with Mr Basinger-Adams
