Dear Parents/Carers

'Maths Moments at Home'

Next week, you have the exciting opportunity to come and enjoy taking part in a range of mathematical activities with your child.

The purpose of these sessions, coinciding with the launch of our 'Maths Moments at Home' booklet, is to inform you of the different ways that Maths is being taught at Goosewell. Our aim is to give you practical ideas to support the development of maths key concepts at home to continue to raise the achievement of our children.

You are welcome to visit and get involved on the following dates and times:

- Years 2, 4 and 6 - Wednesday 12th October 2016 - 9.15am-10.15am or 2.00pm-3.15pm
