

# People & their Communities: Knowledge Organiser

## Key Diagrams

### Ordinary homes in Mali

### The World

## Key Facts

Children already know the name of their local area.

Learn what is a city.

Know what a beach is, and that my nearest coastline is the Jurassic coast.

Know what life might be like there, and the jobs of a lifeguard.

Draw and/or describe being by the seaside.

English Channel, Atlantic Ocean and the North Sea surround the UK.

Know what a rainforest is, and can name the Amazon as a significant one in the world.

Know what life might be like for people who live in a rainforest (Awa Tribe).

I understand how (and why) different buildings are built in different places and compare them to my home & school.

New York, Beijing & Sydney are capital cities.

Locate them on a map and consider how they are similar to each other.
