

Premier Wrap Around Care

We are delighted to announce our wrap around care will start at Russell Street School for the Summer term. We hope to cover all of the basic information you require within this letter. A club handbook will be available once the setting is open electronically for the parents/carers.

Timings of the club:

Our before-School club will open at 7.30am. Children will be escorted to their classroom by one of our team in time for registration

Our after-School club will run from the end of the School day up until 6pm. You will have a choice as to whether to book the full session or only until 5pm.

How to book:

All bookings will be made online at www.premier-education.com You will need to create a parent account and select the events you would like to book. Bookings can be made for individual days for both before and after School. Our booking system will allow you to book on all the way until 3pm if there is space but please do this before 2pm so class teachers and children can be made aware. It is a simple day to day booking and please only book should you need the space.

Additional registration:

The important information will all be captured online, but please take one of our registration forms on the first week and complete and return as soon as possible to make sure we have all of the additional relevant information we require.

Costs and payment information:

Before School club – £4.50

After School until 5pm – £8.75 or After School until 6pm – £11.50

If you wish to use childcare vouchers, please select the box online when making your booking. We are working closely with the School to register accounts for all the providers currently being used and to transfer existing credit to ourselves. We will be sending further communications regarding this so please do not contact us to try and pay until this has been issued. By selecting the option of childcare vouchers online, it secures your place on the club. If you are experiencing any difficulty, please contact our local office on 01908 597940 or email mkoffice@premier-education.com

Where:

Children will be in the WAC building for the summer term in line with the current government guidance on this provision. The children will have access to the outside areas.

Food and Snacks:

The current food and snack will remain very similar for the first few weeks as we gradually introduce additional items available for the children. This will gradually increase as we collate parent feedback for the preferred food/meal choice and with the easing of covid restrictions.

Staff:

I am sure you will be delighted to know that current staff will be continuing within the setting for continuity for your children. We do welcome Stephanie Dearn as the setting manager. Stephanie will be known to some parents as she has previously been at SMSG North and brings a vast amount of much needed experience to the setting. Stephanie will also be the designated safeguard lead. Should you have any needs or requirements before the setting opens, please email Stephanie at sdearn@premier-education.com and I am sure she will assist you with this. We will also have a designated sports coach three nights of the week from 4.15pm for an hour for the children to try new and exciting activities.

Covid-19 information:

Our setting follows both the government and School guidance with regards to the ongoing information and requirements on the safe management of Covid-19. We risk assess the settings regularly and offer all of our team lateral flow tests.

We cannot wait to open the doors for your children after the Easter holidays to bring some welcome smiles and fun after a very challenging last year.
