Name of Person Completing Form: Lisa Robson

Job Title: Headteacher

Date: 17.1.21

Review Date: Weekly

Hazard	Risk	Initial Rating L, M, H	Existing Control Measures	Final Rating L, M, H	Additional Action Required (action by whom and completion date – use separate Action Plan if necessary)
Prevalence of mutant Covid19 strain (VOC-202012/01) in the community	Higher risk of transmission.	H	<p>The school remains open for <u>vulnerable children and the children of critical workers</u> only. All other children are being taught by means of full-time remote education thus reducing numbers attending school and the potential for contact mixing. This is part of a national lockdown which came into force on 5 January 2021 and will be in place until at least February half term.</p> <p>Considering the above, the Covid control measures in place at the school have been reviewed and the school</p>	M	<p>Clinically Extremely Vulnerable (CEV) staff are working from home (see existing section on p4 of this document) in line with national guidance. CEV pupils are being educated from home.</p> <p>The individualised Risk Assessments previously put in place for those staff who are 'clinically vulnerable' (CV), pregnant or from a BAME</p>

			<p>risk assessment updated and will be robustly followed and enforced. This includes reviewing:</p> <ul style="list-style-type: none"> • bubble groups including staffing, supervision and support. Where possible, group sizes should be kept small (especially in groups of younger children where social distancing isn't always achievable). • classroom layout (with reduced numbers) to achieve better social distancing (where possible) • Cleaning regimes [consider enhanced frequency] • hand hygiene arrangements • What activities can take place <p>The amended risk assessment is shared with staff and will continue to be reviewed and updated. Staff have an opportunity to feed into this review.</p>		<p>background are reviewed and adjustments made to reduce the risk of transmission as appropriate. CV/pregnant staff should be supported to work from home where their role allows this.</p> <p>Individual Healthcare Plans for all pupils are reviewed where appropriate [see also model risk assessment for CV/CEV pupils]</p> <p>Essential maintenance/testing as detailed in row below) continues to be undertaken.</p>
Inadequate testing/maintenance and fire safety arrangements during the covid19 pandemic	Equipment / system failure leading to enhanced physical or biological risks to people	M	<p>Statutory testing and maintenance, such as water hygiene testing/flushing, lifts, gas supply/safety, fire alarm system, emergency lighting, fixed electrical installation, play/sporting equipment are maintained as normal.</p> <p>Fire doors are always operational and fire evacuation procedures have been reviewed and allow for social distancing as appropriate. Drill: leaving via the nearest exit and meeting on the main school playground maintaining a social distance while the registers are completed. In an emergency situation, a full evacuation will take place as usual.</p>	L	<p>Provision is in place to make adjustments and revisit fire drills</p> <p>Fire risk assessment has been reviewed and the associated modifications / additional measures implemented to maintain an effective fire strategy (e.g. escape routes, doors held open etc.). Any changes to the fire risk assessment have been communicated to all staff. [See H&S FAQ document for further information on carrying out fire drills].</p>

<p><i>Inadequate ventilation.</i></p> <p><i>Unable to achieve a comfortable (or legal minimum) temperature within the building.</i></p>	<p><i>Increase in risk of transmission of Covid19.</i></p> <p><i>Occupants become cold - poor concentration levels impact on learning.</i></p>	<p><i>H</i></p>	<p><i>Due regard is to be given to the information on how best to maintain ventilation in the H&S FAQ document, CIBSE - Ventilation Guidance and the latest government guidance for schools.</i></p> <p><i>General principles when using natural ventilation include opening windows. In cooler weather windows should be opened just enough to provide constant background ventilation, and opened more fully when unoccupied to purge the air in the space (e.g. between classes, during break and lunch). Rooms should, where possible, be fully ventilated for at least 15 minutes prior to and following use.</i></p> <p><i>Opening internal doors can also assist with creating a throughput of air. If necessary external opening doors may also be used (as long as they are not fire doors and where safe to do so)</i></p> <p><i>Opening high level windows in preference to low level to reduce draughts</i></p> <p><i>Rearranging furniture where possible to avoid direct drafts.</i></p>	<p><i>L</i></p>	<p><i>Occupied rooms with no ventilation - their use should be avoided.</i></p> <p><i>Consider installation of window fans to provide natural ventilation.</i></p> <p><i>Ceiling fans/portable fans can be used to aid air flow where there are stagnant air pockets in rooms.</i></p> <p><i>Providing flexibility to the school uniform policy to allow additional, suitable indoor clothing to be worn.</i></p>
<p><i>Inadequate safety management documentation (policies, risk assessments etc.)</i></p>	<p><i>Increased risk of contracting Coronavirus through lack of planning.</i></p>	<p><i>M</i></p>	<p><i>The arrangements in the Covid19 risk assessment are monitored and kept under review. Relevant policies, procedures and other risk assessments have been reviewed and updated where necessary and shared with staff. Arrangements are monitored and kept under review, with staff given the opportunity to comment and feedback on arrangements.</i></p> <p><i>New procedures have been documented for:</i></p> <ul style="list-style-type: none"> <i>• Individuals becoming Covid symptomatic on site or the school becoming aware of someone</i> 	<p><i>L</i></p>	<p><i>Advice will be provided directly from the NCC public health team. The County Council Outbreak Plan is also available on the County Council webpage.</i></p>

			<p>symptomatic who has recently attended the school.</p> <ul style="list-style-type: none"> Responding to localised lock down and subsequent school closure e.g. arrangements for remote learning/working. <p>Responding to an outbreak of Coronavirus - see section below.</p>		
<p>Contact with others who may have Coronavirus</p> <p>Inadvertent transmission to others</p>	<p>Exposure to live virus resulting in contracting Coronavirus.</p> <p>Exacerbation of existing medical conditions.</p>	H	<p>Staff</p> <p>Staff who are ‘clinically vulnerable’, pregnant or from a BAME background, are able to return to work and an individual risk assessment is in place for these individuals. Pregnant staff are instructed to take particular care to practise frequent, thorough hand washing, and cleaning of frequently touched areas. As part of their risk assessment, it should be considered whether adapting duties and/or facilitating home working may be appropriate to mitigate risks.</p> <p>Staff who are ‘clinically extremely vulnerable’ are working at home when advised to do so by the Government/NHS during periods when national restrictions are in place [see note in Document History in relation to NCC employed staff] . Under local restriction tier 3 (very high alert), discussions have taken place between CEV staff and their Managers to look at flexibilities that support staff, such as staggered start times to reduce travel during rush hour. Outside of this time, their job role and activities have been reviewed to ensure they can work remotely or are able to socially distance from others. An individual risk assessment is in place for each staff member recording the details of their medical condition and what reasonable adjustments have been made to their job role <u>prior</u> to the staff member returning to school.</p>	M	<p>See: COVID-19: guidance on shielding and protecting people defined on medical grounds as extremely vulnerable</p> <p>See generic school risk assessments for clinically/clinically extremely vulnerable staff</p> <p>Pregnant workers model risk assessment (to be completed in conjunction with the above assessment for vulnerable staff). [Schools should be aware that pregnant women from 28 weeks’ gestation, or with underlying health conditions at any gestation, may be at greater risk of severe illness from coronavirus (COVID-19).] See also: Advice for Pregnant Workers</p> <p>BAME risk assessment</p> <p>Head teachers/Senior managers are to ask staff to update them</p>

		<p>Advice is sought from the school's own HR/Occupational Health provider where necessary and always for staff who have previously been shielding.</p> <p>Staffing levels are reviewed to ensure adequate levels are in place at all times.</p> <p>Children Children in clinically vulnerable and clinically extremely vulnerable health categories (as defined by PHE guidance)</p> <p>Most children <u>originally</u> identified as 'clinically extremely vulnerable' (CEV) no longer need to follow shielding advice as more evidence has emerged that shows there is a very low risk of children becoming very unwell from COVID-19, even for children with existing health conditions. Those children whose doctors have confirmed they are still CEV are not attending school when advised to do so by the Government during periods of national or local restrictions. Appropriate arrangements should be made so that education can continue at home.</p> <p>Outside of these times, for those pupils in the CEV category, an individual risk assessment has been carried out in consultation with the child's parents and the relevant healthcare professional(s). Advice from health professionals/GP involved in the child's care is essential in these circumstances. Individual Healthcare Plans for all pupils are checked to ensure they are up to date and include advice from the relevant health professional, where appropriate [see also model risk assessment for CV/CEV pupils]</p> <p>Children who live with someone who is clinically extremely vulnerable, but who are not clinically</p>	<p>immediately if their situation changes.</p> <p>The potential risks from COVID-19 to children and young people who have an EHCP/additional educational support needs must be assessed in light of individual circumstances including any underlying health conditions. This must be on an individual basis with advice from an appropriate health professional where required. Assessments are in writing and existing assessments may be updated. Staff to be consulted/trained on any resultant measures to be introduced.</p> <p>Northumberland EHCP planning Tool and Risk Assessment</p> <p>Where children have an Individual Healthcare Plan, arrangements must be made to ensure that any adults supervising the child understand and are familiar with the plan and have received any training that is indicated to care for the child.</p> <p>Guidance for full opening: schools - Annex B: education, health and care (EHC) plans</p> <p>Guidance for full opening: special schools and other specialist settings: Annex A</p>
--	--	--	--

		<p><i>extremely vulnerable themselves, should still attend school.</i></p> <p>All Visitors/Contractors</p> <p><i>External visits are restricted to those that are absolutely necessary (this would include essential maintenance required). Where possible these are arranged to avoid visiting during the school day, with contractor activities taking place outside of normal school hours. Contractors will not be allowed access without prior appointment and only for essential activities.</i></p> <p><i>Visitor contact information is retained for 21 days to support the NHS test and trace programme (Visitor Audit/Questionnaire). This should include details of all visiting staff.</i></p> <p>General</p> <p><i>General measures which been applied within school</i></p> <ul style="list-style-type: none"> ● <i>grouping children together</i> ● <i>avoiding contact between groups</i> ● <i>arranging classrooms with forward facing desks</i> ● <i>staff maintaining distance from pupils and other staff as much as possible</i> <p><i>Staff communicate to children regarding social distancing / personal hygiene etc. Government guidance on Guidance for full opening: schools is followed. Key issues include:</i></p> <p><i>Anyone displaying any symptoms of coronavirus are not permitted on the premises.</i></p>	<p><i>Where there are concerns about the health provision for a child or young person, urgent advice must be sought from a healthcare professional.</i></p> <p><i>When making appointments, contractors/visitors are briefed on the requirements for social distancing and PPE and not to attend school if displaying symptoms of COVID19.</i></p> <p><i>Notices and information displayed in school.</i></p> <p><i>The location of items (e.g. signage, hand sanitiser stations, lidded bins in classrooms and in other key locations) is reviewed and cited with regard to site specific circumstances to ensure ease of use.</i></p>
--	--	---	---

		<p><i>Social distancing of 2m is applied throughout the school <u>where possible</u> (specific school/task risk assessments should be amended as appropriate).</i></p> <p><i>Seating/desk arrangements have been identified in offices, i.e workstations are socially distanced, & space has been allocated around equipment, such as printers.</i></p> <p><i>Reception/waiting areas are marked to identify social distancing and a process is in place for handling essential visitors to the site, for example, visitor passes and electronic sign-in devices are wiped down with disinfectant.</i></p> <p><i>Pupils clean their hands regularly, including when they arrive at school, return from breaks, change rooms, before and after eating, after sneezing or coughing. Washing hands thoroughly for 20 seconds with soap and water and or use of alcohol hand rub or sanitiser.</i></p> <p><i>Ensuring good respiratory hygiene - promote the 'catch it, bin it, kill it' approach. Disposable tissues are provided along with lidded bins for used tissues and other waste. This waste is double bagged and disposed of. Face coverings are worn when required under national or local rules or where use has been risk assessed as being required [see separate model risk assessment on use of face coverings [add link to school specific assessment or record decision/arrangements here]]. Arrangements have been put in place for safe disposal/storage of face coverings if worn - disposable masks to be put into a bin bag in a lidded bin, reusable covering to be placed by the pupil into a bag to take home.</i></p>	<p><i>The e-Bug Coronavirus website contains free resources for schools, including materials to encourage good hand and respiratory hygiene.</i></p>
--	--	---	--

			<p><i>Cleaning frequently touched surfaces often using standard cleaning products.</i></p> <p><i>Minimising contact and mixing by altering, as much as possible, the environment (such as classroom layout) and timetables.</i></p>		
<p><i>All teaching/classroom activities</i></p>	<p><i>Contracting coronavirus - staff and pupils, passing onto vulnerable persons</i></p>	H	<p>Cohort (bubble) Groups (see also H&S briefing for Heads)</p> <p><i>The school has cohorted groups so that staff and pupils generally only mix with others in a consistent group and keep away from other people/groups as much as possible. Contact with other groups is brief and transitory only. Group sizes are kept as small as possible, taking into account delivery of the curriculum. Class groups are kept in the same room with the same ‘class group’ as much as possible. Mixing of ‘class groups’ is minimised as much as possible.</i></p> <p>Social Distancing</p> <p><i>As the school is fully open to all year groups, it is accepted that social distancing cannot always be achieved (especially for younger children). However, it should be applied wherever possible. For older children and staff this is more achievable and should be more robustly implemented. The general arrangements below have been put in place to mitigate the risk where distancing cannot always be achieved.</i></p> <p>General arrangements</p>	L	<p><i>Review Guidance & Checklist:</i></p> <p>Guidance for full opening: schools</p> <p>Planning guide for early years and childcare settings</p> <p>Protective measures for holiday and after-school clubs, and other out-of-school settings during the coronavirus (Covid-19) outbreak</p> <p><i>Access rooms directly from outside where possible.</i></p> <p><i>No sharing of stationery etc.</i></p> <p><i>Note:</i> <i>Government guidance states that schools should not put rotas in place.</i></p> <p><i>etc.</i></p> <p><i>PE activities are carried out in line with local and national restrictions - refer to ‘Physical Activity in Schools’ section of Guidance for full opening: schools (which signposts to all relevant other publications).</i></p>

		<ul style="list-style-type: none"> ● <i>Pupils taught to adopt good hand and respiratory hygiene, to maintain suitable distancing (where possible) and to report if they are unwell.</i> ● <i>Staff explicitly supervise health and hand hygiene arrangements for younger children and those with additional needs. Measures are in place to ensure more independent older pupils are following good hygiene practices.</i> ● <i>Staff informally monitor for presence of symptoms.</i> ● <i>Regular cleaning initiated (see below).</i> ● <i>Where possible the same teaching staff work with the same groups</i> ● <i>Where possible, the same groups are taught in the same classrooms or where this isn't possible, larger bubble groups are assigned 'zones' within the building. This limits the amount of movement around the school and potential contact with other groups.</i> ● <i>Where possible the same desks are used by the same pupils each day and desks are front facing, with pupils sat side by side rather than face to face. Circular tables have been taken out of use.</i> ● <i>Timetabling has been reviewed to stagger school activities (PE, Outdoor Learning, assemblies, break times, lunch, pick up/drop off) to reduce movements and incidence of group mixing, including parents.</i> ● <i>Equipment use has been revised and measures to prevent simultaneous use and reduce consecutive use have been introduced.</i> <p style="text-align: center;"><i>Where possible areas will be well ventilated, doors propped open (where safe to do so, taking into account fire safety and safeguarding) to limit use of door handles.</i></p> <p><i>Sport and physical education</i></p>	<p><i>Schools consult government approved list of activities available at: return to recreational team sport framework.</i></p>
--	--	---	---

			<ul style="list-style-type: none"> ● Only activities whose national governing bodies have developed guidance that has been approved by the government are undertaken. ● Inter-school activities are suspended. ● Equipment thoroughly cleaned between each use by different individual groups. ● Activity venues reviewed and outdoor sports are prioritised where possible, and large indoor spaces used where it is not. ● Ventilation is maximised in accordance with the arrangements stated above. ● Work with external coaches, clubs and organisations for curricular activities are subject to specific risk assessment to confirm that arrangements are safe and appropriate. Extra-curricular activities (i.e. before and after school clubs) are reviewed and only proceed where; a) it is necessary to support parents with work related activity, training/education or for the purpose of provision of respite care, and b) risk assessment confirms that arrangements are safe and appropriate. 		
Use of shared learning spaces by different cohort (bubble) groups and teaching of practical activities	Contracting coronavirus - staff, pupils, public	H	<p>In addition to the arrangements above, the following measures are in place for use of shared learning spaces/teaching of practical subjects:</p> <ul style="list-style-type: none"> ● Activities undertaken are reviewed to allow teaching to take place in usual/assigned class space wherever possible. ● Where this isn't possible and practical activities are required to take place in classrooms shared between bubble groups, frequently touched areas, desks, chairs etc. and any shared equipment are cleaned between bubble group use. ● Those teaching practical subjects to a range of groups maintain social distancing and remain at the front of the class where possible. 	L	<p>PE activities are carried out in line with <u>Guidance for full opening: schools</u> (which signposts to all relevant other publications). Schools must only provide team sports on the list available at <u>return to recreational team sport framework</u>.</p> <p>Music –activities are undertaken in line with Guidance for full opening: schools and working safely during coronavirus Covid 19: performing arts. A separate risk assessment is in place.</p>

			Staff have reviewed lesson plans and risk assessments are in place for use of practical areas.		Science – practical work is in line with CLEAPS Guide to doing practical work during the Covis-19 pandemic . Risk assessments are in place.
Outdoor education on-site and off-site visits	Contracting coronavirus - staff, pupils, public	H	General control measures listed by this risk assessment are implemented as far as they are able to ensure that the risk of virus spread for both staff and children is as low as possible. Educational Visit Coordinator & Heads receive policy guidance updates and actively check for updates on the Evolve system.	L	On site activities: Submission of an Evolve form is not required, however where risks are significant or are not already covered with another risk assessment the activity must be subject to a written risk assessment. Off-site activities: Submission of an Evolve form is required for all Off site visits. Note DfE and FCO advice and OEAP National Guidance .
Play activities	Contracting coronavirus - staff and pupils	H	Break times are staggered (including lunch), so that children are not moving around the school at the same time. Multiple groups do not use play equipment simultaneously. It is only used by separate groups. For larger pieces of play equipment, where it is not possible to adequately clean this, this has been taken out of use. Soft furnishings, soft toys and toys that are hard to clean have been removed from classrooms.	L	
Provision of school meals service	Contracting coronavirus - staff, pupils		The school kitchen will be fully open from the start of the autumn term and normal legal requirements will apply. Kitchen operations comply with the guidance for food businesses on coronavirus (COVID-19) . Catering staff are aware of the content of this risk assessment and the measures required for use of		Risk assessments have been reviewed and updated where required (both for catering activities and dining hall arrangements, including additional cleaning, placement of tables, bubble group use etc.)

			<i>communal staff areas have been implemented e.g. for toilets/staff room/changing rooms. [see also section on use of communal areas for seating plans etc.]</i>		
<i>Use of communal areas - toilets, corridors, sports halls, dining hall, outdoor spaces,</i>	<i>Contracting coronavirus - staff pupils, visitors, parents/carers</i>	<i>H</i>	<p><i>Class changeover/break times are staggered to reduce the level of circulation throughout school. No corridors are used by groups at the same time.</i></p> <p><i>Assemblies are arranged to take place with individual groups in their allocated classroom spaces rather than bringing all children from different classes together into one hall or large space.</i></p> <p><i>Lunch breaks are staggered. Children clean their hands before entering in their cohorted groups (younger children are assisted with this). Different cohort groups are kept apart and tables cleaned between each cohort group. If such measures are not possible, children should be brought their lunch in their classrooms.</i></p> <p><i>Arrangements are in place to ensure that toilets do not become crowded by limiting the number of children or young people who use the toilet facilities at one time</i></p>	<i>M</i>	
<p><i>Staff use of communal areas/working with different groups.</i></p> <p><i>Use of supply teachers and temporary workers</i></p>	<i>Contracting coronavirus - staff pupils, visitors, parents/carers</i>	<i>H</i>	<p><i>Staff breaks are staggered to avoid congestion in staff rooms. Shared crockery/cutlery has been removed and staff use their own equipment.</i></p> <p><i>Measures are applied within shared offices and staff room(s) to implement social distancing.</i></p> <p><i>Clear use and cleaning guidance for staff toilets are in place to ensure they are kept clean and social distancing is achieved as much as possible.</i></p> <p><i>Staff maintain 2m distance from pupils where possible (especially between adults and with older children).</i></p>		

			<p><i>Face to face contact within 1m of anyone is minimised.</i></p> <p><i>Supply staff and other temporary workers can move between schools, but school leaders are to consider how to minimise the number of visitors to the school where possible.</i></p> <p><i>Temporary staff and visiting staff will be expected to comply with the school's arrangements for managing and minimising risk, including taking particular care to maintain distance from other staff and pupils. All temporary staff are provided with this information and this is done as soon as possible after the booking is confirmed.</i></p> <p><i>Review and implementation of longer term staff contracts/arrangements across a broader time period to minimise numbers of contacts.</i></p>																	
<i>Parents/carers picking up/collecting pupils from school</i>	<i>Contracting coronavirus - staff, pupils, public</i>	<i>H</i>	<p><i>Routes, layouts and congregation points have been reviewed and measures introduced to aid circulation so social distancing may be maintained.</i></p> <p><i>Drop off/collection times are staggered.</i></p> <table style="margin-left: 40px;"> <thead> <tr> <th></th> <th><i>Start</i></th> <th><i>Finish</i></th> </tr> </thead> <tbody> <tr> <td><i>Years 1 + 2</i></td> <td><i>8.45am</i></td> <td><i>3.05pm</i></td> </tr> <tr> <td><i>Years 5 + 6</i></td> <td><i>8.50am</i></td> <td><i>3.10pm</i></td> </tr> <tr> <td><i>Reception</i></td> <td><i>8.55am</i></td> <td><i>3.15pm</i></td> </tr> <tr> <td><i>Years 3 + 4</i></td> <td><i>9.00am</i></td> <td><i>3.20pm</i></td> </tr> </tbody> </table> <p><i>During Lockdown CW/V children arrive between 8.30am-9am and leave between 3pm-3.30pm</i></p> <p><i>Staff briefed on the arrangements to be applied. Children, young people, parents/carers are advised:</i></p> <ul style="list-style-type: none"> <i>• Not to enter the building if displaying any symptoms of coronavirus (COVID-19).</i> 		<i>Start</i>	<i>Finish</i>	<i>Years 1 + 2</i>	<i>8.45am</i>	<i>3.05pm</i>	<i>Years 5 + 6</i>	<i>8.50am</i>	<i>3.10pm</i>	<i>Reception</i>	<i>8.55am</i>	<i>3.15pm</i>	<i>Years 3 + 4</i>	<i>9.00am</i>	<i>3.20pm</i>	<i>L</i>	<i>Link to animation produced by NCC Communications Team regarding parental drop off/collection: https://youtu.be/bPzalnAx8Js</i>
	<i>Start</i>	<i>Finish</i>																		
<i>Years 1 + 2</i>	<i>8.45am</i>	<i>3.05pm</i>																		
<i>Years 5 + 6</i>	<i>8.50am</i>	<i>3.10pm</i>																		
<i>Reception</i>	<i>8.55am</i>	<i>3.15pm</i>																		
<i>Years 3 + 4</i>	<i>9.00am</i>	<i>3.20pm</i>																		

			<ul style="list-style-type: none"> ● Only to attend one at a time ● Wear face coverings ● Of the designated pick up and drop off protocols (time, location, process) to minimise contact. ● Not to gather at entrances, gates or doors unless have pre-arranged appointments. <p>School digital communications channels used to engage and advise parents on protective steps being taken and associated requirements.</p> <p>If it is necessary for a childminder to pick up or drop off a child at school and walking is not practical, then a private vehicle for single household use is preferable. Use of public transport should be minimised.</p>		
Staff travelling to and from work.	Contracting coronavirus, spread of virus	H	<p>Only use public transport if you have to; use alternative methods of transport where possible - car, bicycle, walking - maintaining social distancing where possible.</p> <p>When travelling by public transport:</p> <ul style="list-style-type: none"> ● Wear a face covering when using public transport if you can (not for use whilst in school) - surgical masks not required. ● avoid rush hours and busy times if you can ● cover your cough or sneeze with a tissue, then throw the tissue in the bin ● follow advice on social distancing ● wash your hands often with soap and water for at least 20 seconds ● if soap and water are not available, use an alcohol-based hand sanitiser <p>Those using public transport are identified and encouraged to refer to governments safer travel guidance for passengers.</p>	M	<p>Review Guidance:</p> <p>How to wear and make a cloth face covering</p> <p>Coronavirus (COVID-19): UK transport and travel advice</p>

<p><i>Children who are non-compliant / displaying challenging behaviour</i></p>	<p><i>Contracting coronavirus - staff, pupils,</i></p>	<p><i>M</i></p>	<p><i>Children who are symptomatic do not attend school. Effective infection control strategies are in place including measures to minimise contact with those who become symptomatic whilst at school.</i></p> <p><i>Current school arrangements including behaviour policy, availability of trained staff and preventative approaches are reviewed/updated taking account of suggested school rules within Government Guidance. Policy communicated to staff, children/pupils and parents/carers.</i></p> <p><i>Those with challenging behaviour only remain in School where measures (e.g. behaviour management plan, workable de-escalation techniques, trained staff) are in place and there is certainty that they will be effective).</i></p> <p><i>All schools have access to NCC SEN Support Services to accommodate and support learners with SEND who are attending. Provision includes support in reviewing and determining reasonable adjustments within plans for EHCP learners.</i></p>	<p><i>L</i></p>	<p><i>For further information visit: NCC Local SEND Offering 0-25 yrs.</i></p> <p><i>All risk assessments, behaviour crisis plans and EHCPs are updated (as applicable) in line with the current COVID-19 situation. Where these are absent a person specific risk assessment is undertaken of those who pose a risk to others by virtue of known behaviours. Reviews relate to specific support staff and take steps to avoid conflict and situations known to increase anxiety and defensive behaviours.</i></p> <p><i>Advice given on the use of restrictive physical interventions by front line staff (available from Inclusive Education Services).</i></p>
<p><i>Personal care activities</i></p>	<p><i>Contracting coronavirus or passing onto vulnerable or shielded children</i></p>	<p><i>H</i></p>	<p><i>Social distancing is implemented where possible.</i></p> <p><i>Staff know how to safely put on and take off PPE. PHE guidance on Putting on PPE; and Taking off PPE is followed by all staff undertaking personal care.</i></p>	<p><i>L</i></p>	<p><i>PPE requests/shortages in PPE are raised with the Schools Organisation and Resources Team.</i></p> <p><i>No additional PPE is generally needed other than that already identified via risk assessment.</i></p>

<p><i>Use of hand sanitiser</i></p>	<p><i>Ingestion of hand sanitiser.</i></p> <p><i>Alcohol vapours ignited resulting in burns to hands</i></p>	<p><i>M</i></p>	<p><i>Always wash hands with soap and hot/warm water wherever possible.</i></p> <p><i>Where hand sanitizer is used, it contains a minimum of 60% alcohol. It is kept out of the reach of children and used with staff supervision due to the risk of ingestion. A safety data sheet and COSHH risk assessment are in place for its use.</i></p> <p><i>When using alcohol based hand sanitisers make sure all liquid is evaporated before smoking, touching any electrical equipment or metal surfaces which may result in a static shock, or any other source of ignition.</i></p> <p><i>Skin friendly skin cleaning wipes can be used as an alternative [these should still contain alcohol to be considered as effective as sanitiser]</i></p>	<p><i>L</i></p>	<p><i>Bulk supplies of alcohol gel are stored appropriately as flammable substances and the fire risk assessment has been updated accordingly.</i></p>
<p><i>Insufficient cleaning/exposure to virus on objects/surfaces</i></p>	<p><i>Contracting coronavirus</i></p>	<p><i>H</i></p>	<p><i>Increased cleaning to take place using standard cleaning products; additional cleaning hours/resources have been arranged with the priority being for frequently touched areas/communal areas and shared teaching spaces. Cleaning staff are briefed on the amended cleaning schedule, and records kept of cleaning undertaken.</i></p> <p><i>In particular, objects and surfaces that are touched regularly are frequently cleaned and disinfected. This will include toys, books, desks, chairs, doors, sinks, toilets, light switches, bannisters, play equipment etc.</i></p> <p><i>Steps are taken to limit resources that are taken home by staff and pupils. Marking policies have been reviewed, Staff wash hands if handling pupil's homework/books.</i></p>	<p><i>L</i></p>	<p><i>A supply of antibacterial wipes/alcohol gel is made available in school (including classrooms) to encourage staff/pupils to help maintain cleanliness in personal work areas.</i></p> <p><i>Cleaning products used in teaching areas etc. are those normally used by cleaning staff - a safety data sheet and COSHH risk assessment are in place for each product.</i></p> <p><i>PPE requests/shortages in PPE are raised with the Schools Organisation and Resources Team.</i></p> <p><i>Bleach should be avoided and suitable alternative product(s) used. If schools are advised to use a</i></p>

		<p><i>A review has been undertaken to remove soft furnishings, soft toys and toys/equipment that are hard to clean (such as those with intricate parts).</i></p> <p><i>Classrooms are cleaned daily. Bins for tissues are emptied throughout the day. Rooms are well ventilated with windows being kept open where possible. Where doors are propped open to aid ventilation, these are in line with fire safety and safeguarding requirements.</i></p> <p><i>Where there is a suspected or confirmed case of COVID-19 within the school, the school procedure for dealing with this scenario is implemented, which incorporates the PHE guidance on '<u>cleaning and waste</u>' (ensure cleaning products used comply with this guidance). Staff wear disposable gloves and aprons as a minimum. Hands are washed with soap and water for 20 seconds when all PPE is removed. NCC PPE Risk Assessment</i></p> <p><i>Staff know how to put on and take off PPE correctly: PHE - Putting on PPE; PHE - Taking off PPE</i></p> <p><i>See also sections on Pupils and staff displaying symptoms of coronavirus whilst at school.</i></p>	<p><i>bleach based product, only bleach <u>sprays</u> should be used. Its use must be strictly controlled and it must not be mixed with other cleaning products due to the risk of chlorine gas being liberated. The safety data sheet and COSHH risk assessment must be in place prior to use and shared with staff.</i></p> <p><i>See sample COSHH risk assessment</i></p>

Document History

Item	Nature of change	Date of Update
Prevalence of mutant Covid19 strain (VUI-202012/01) in the community	Working with smaller groups. CV staff/pregnant workers to work from home (where possible). Special school provision. Removal of requirement to have a specific risk assessment in place for staff living with CEV individuals (historic requirement relating to obsolete guidance)	13/01/2021
Inadequate testing/maintenance and fire safety arrangements during the covid19 pandemic	If only using part of school due to reduced numbers ensure fire doors are kept operational at all times.	13/01/2021
Contact with others who may have Coronavirus	Removal of requirement to have a specific risk assessment in place for staff living with CEV individuals (historic requirement relating to obsolete guidance). Link added to guidance on pregnant workers. Link to e-bug covid website added.	13/01/2021
All teaching/classroom activities; early years, primary and secondary	Updated text on wraparound care. Link to Active Northumberland activities for children being educated at home.	13/01/2021
Use of supply teachers and temporary workers	Updated text on temporary/teacher training staff.	13/01/2021
Use of School Transport (external provision only)	Updated text on school transport provision during lockdown – maintain sufficient provision to maximise social distancing.	13/01/2021
Lateral flow device Covid testing carried out incorrectly	Temporary and teacher training staff should also be offered testing.	13/01/2021

Pupils displaying symptoms of coronavirus whilst at school	NCC Public Health team will not contact schools with the results of a PCR test – parents/carers should notify the school of results.	13/01/2021
Lack of communication with staff/parents/others	Link to guidance that includes advice when returning from another country. International travel is not permitted under lockdown rules.	13/01/2021
Contact with others who may have Coronavirus	Update on face coverings. Link added for wrap around provision guidance. Link added to model pregnant workers risk assessment - this should be completed in conjunction with the CV/CEV assessment.	02/11/2020
Prevalence of mutant Covid19 strain (VUI-202012/01) in the community	New section. National lockdown rules in place from 5/1/2021. CEV to work from home. CEV pupils to be educated from home.	07/01/2021
Contact with others who may have Coronavirus	Updated guidance on pregnant staff over 28 weeks.	07/01/2021
All teaching/classroom activities; early years, primary and secondary	Link to school guidance for local and national restrictions for physical education and sports.	07/01/2021
Lateral flow device Covid testing carried out incorrectly	New section.	07/01/2021
Staff displaying symptoms of coronavirus whilst at school	Removal of 14 day isolation guidance and redirect to up to date Government advice. Asymptomatic mass testing arrangements added. Schools to update their own risk assessment to reflect the status of the national testing programme.	07/01/2021
Pupils displaying symptoms of coronavirus whilst at school	Removal of 14 day isolation guidance and redirect to up to date Government advice. Schools to update their own risk assessment to reflect the status of the national testing programme.	07/01/2021
Activity / Useful Links	Link added to 'local restriction tiers' guidance. Heads to familiarise themselves with rules.	01/12/2020
Contact with others who may have Coronavirus	Update on CEV staff/pupils under local tier restrictions who can now return to school.	01/12/2020

Use of shared learning spaces by different cohort (bubble) groups and teaching of practical activities	Update on performances under local tier restrictions. See also H&S FAQ document.	01/12/2020
Pupil uncertainty surrounding attendance/return to school/self isolation	Update on vulnerable pupil support arrangements whilst self isolating.	01/12/2020
Contact with others who may have Coronavirus	Updated guidance on CEV individuals. In relation to staff employed by the County Council, to comply with government advice a decision has been made by the Council's Executive Team that all CEV staff must work from home. CEV pupils to be educated from home. Change to the definitions which make an individual CEV (chronic kidney disease (stage 5) and adults with Downs Syndrome now included).	17/11/2020
All teaching/classroom activities; early years, primary and secondary	Updated guidance on sport and physical activity. Link added to wrap around provision and extra-curricular activity guidance.	17/11/2020
Use of School Transport (external provision only)	Updated guidance on ventilation on home to school transport. Link added to the updated 'Autumn term - transport for schools' guidance.	17/11/2020
Pupils displaying symptoms of coronavirus whilst at school	Link added to 'Safe working in education, childcare and children's social care settings' guidance.	17/11/2020
Parents/carers picking up/collecting pupils from school	Link added to animation aimed at parents. Advice for child minders collecting/dropping off pupils from different households.	17/11/2020
Personal Care Activities	New guidance for those schools carrying out aerosol generating procedures (AGP)	17/11/2020
Inadequate testing/maintenance and fire safety arrangements during the covid19 pandemic	Link added to H&S FAQ document - new information on fire drills.	02/11/2020

Inadequate Ventilation	New section based on updated CIBSE ventilation guidance (Oct 2020) and updated government guidance on schools fully opening. Further information can be found in the H&S FAQ document. Note regarding heating systems moved into this section from the section above.	02/11/2020
Activity	Link added for 'Schools Full Opening' guidance.	07/09/2020
School re-opening following partial or full closure and lack of statutory testing/maintenance	Guidance withdrawn.	07/09/2020
Contact with others who may have Coronavirus	Link added for clinically/clinically extremely vulnerable generic staff risk assessments. Updated info on clinically/clinically extremely vulnerable pupils and link added to model risk assessment. Updated info on face coverings and link added to generic face covering risk assessment.	07/09/2020
All teaching/classroom activities; early years, primary and secondary	Guidance withdrawn and replaced with 'Schools Full Opening' guidance.	07/09/2020
Use of shared learning spaces by different cohort (bubble) groups and teaching of practical activities	Updated guidance on sports and music activities. Updated guidance on science practicals from CLEAPSS.	07/09/2020
Parents/carers picking up/collecting pupils from school	Guidance withdrawn.	07/09/2020
Use of School Transport (external provision only)	Minor update to align more closely with guidance text relating to grouping on school transport, wearing of face coverings and social distancing.	07/09/2020
Children who are non-compliant / displaying challenging behaviour	Guidance withdrawn.	07/09/2020
Personal care activities	Guidance withdrawn.	07/09/2020
Staff displaying symptoms of coronavirus whilst at school	Updated advice regarding a staff member testing positive. Link added to a letter from PHE to all school leaders.	07/09/2020

Pupils displaying symptoms of coronavirus whilst at school	Updated advice regarding a pupil testing positive. Link added to a letter from PHE to all school leaders.	07/09/2020
Pupil uncertainty surrounding attendance/return to school	Link to the 'Wellbeing for Education Return Programme' added.	07/09/2020
Contact with others who may have Coronavirus	Updated links to model school risk assessments for CV/CEV staff and pupils. Minor wording changes and removal of link to withdrawn government document (changes are in red text)	25/8/2020
General	Some re-ordering of hazards (rows) to achieve better flow.	30/07/2020
Additional information	New/updated additional documentation	30/07/2020
School re-opening following partial or full closure and lack of statutory testing/maintenance	Minor wording changes. Review fire risk assessment.	30/07/2020
Inadequate safety management documentation (policies, risk assessments etc)	New section.	30/07/2020
Contact with others who may have Coronavirus	Staff/children living with someone who is shielding can now return. Updated guidance for Clinically Extremely vulnerable children and staff - mostly able to return to school. Model school specific risk assessment template for vulnerable/extremely vulnerable staff returning will be available early August. Visitor information to be retained and kept for 21 days. Specific guidance on hand washing requirements for children. Information on face coverings.	30/07/2020
All teaching/classroom activities: early years, primary and secondary	Amended wording in hazard column. Updated guidance on cohort/bubble group sizes, social distancing, classroom arrangements, including layout. Some text moved to new section below.	30/07/2020

Use of shared learning spaces by different cohort (bubble) groups and teaching of practical activities	New section - some control measures moved from previous section.	30/07/2020
Use of communal areas - toilets, corridors, sports halls, dining hall, outdoor spaces	Minor changes. Use of staff areas moved into separate section. Reference to practical lessons moved into separate section. Additional text added for use of dining hall (see also new section on provision of school meals)	30/07/2020
Staff use of communal areas/working with different groups and Use of supply teachers	New section pulling together measures for staff areas and to record arrangements for temporary and visiting staff.	30/07/2020
Outdoor education on-site and off-site visits	Updated to illustrate requirement for EVCs and Heads to monitor Evolve for policy and guidance updates.	30/07/2020
Provision of school meals service	New section. Ensure arrangements in place are applied to kitchen facilities.	30/07/2020
Use of School Transport (external provision only)	Updated arrangements regarding more children accessing transport.	30/07/2020
Staff travelling to and from work	Minor amendment and link to government guidance	30/07/2020
Personal care activities	Reference to care activities involving aerosol generating procedures and clarification that no additional PPE generally needed other than that normally identified via risk assessment.	30/07/2020
Use of hand sanitizer	Reference to skin friendly skin wipes (confirmed with NCC public health that these should contain alcohol to be as effective as sanitiser). Bulk storage arrangements for hand sanitiser (updated fire risk assessment).	30/07/2020
Insufficient cleaning/exposure to virus on objects/surfaces	Updated government guidance on cleaning and waste (15 July). Ensure cleaning schedule is in place which cleaners are briefed on and records are kept of cleaning undertaken.	30/07/2020

Staff displaying symptoms of coronavirus whilst at school	Clarification on isolation of bubble groups. Requirement to notify NCC public health team of all <u>symptomatic</u> persons. Removal of specific self isolation periods as this is liable to change (currently changed from 7 to 10 days) - schools should keep up to date with the latest requirement.	30/07/2020
Pupils displaying symptoms of coronavirus whilst at school	As above.	30/07/2020
Outbreak of Covid-19 in local area or school resulting in partial of full closure of school/resumption of lock down	New section.	30/07/2020
Inadequate first aid provision	Updated guidance based on HSE advice. Government advice for schools is that no PPE is needed, however, based on HSE advice if PPE is available it should be used.	30/07/2020
Pupil uncertainty surrounding attendance/return to school	New section.	30/07/2020
Activity and People at Risk	Information of how updates have been incorporated and updated link to all school related government guidance added. Amended text regarding need to review risk assessment.	05/06/2020
Additional Information Section	Amendment. NCC Corporate Health and Safety Advice - FAQs for School Head Teachers , link to vulnerable staff risk assessments (including BAME) and Public Health Q&A for Teachers and Parents	05/06/2020
School re-opening following partial or full closure and lack of statutory testing/maintenance	Amendment. Update to explain in more detail the required checks/testing. Note regarding cleaning. Additional information on fire evacuation procedures/fire drills.	05/06/2020
Contact with others who may have Coronavirus.	Amendment	05/06/2020

Inadvertent transmission to others	Para on staffing levels. Link to BAME risk assessment added. Revision to wording in “Children” section (no change to arrangements). Shielding households - slight amendment to wording. Link to updated SEND guidance. Recommendation to provide lidded bins/tissues. Social distancing advice in offices/reception. Hot/warm water required for hand washing (see H&S FAQ). Reinforcement that only essential visitors are permitted access to school.	
Unable to achieve social distancing	Amendment. Staff role in health/hand hygiene arrangements. Changes to early years spaces requirements and group sizes. Secondary Schools are only permitted to have ¼ of yr. 10 and yr. 12 cohort in school at any one time. Rotas permissible in secondary schools. Some other minor textual changes.	05/06/2020
Use of communal areas	Amendment. Update regarding assemblies. Updated guidance on PE activities from AfPE.	05/06/2020
