Dear Parents and Carers

School Meals during the School Closure Period

I am writing to inform you of the provision of school meals during the school closure period.

Children who are in school:

Universal Free School Meals (UFSM) for Key Stage One children (Reception, Years 1 and 2) will be suspended and not provided to those children who are attending school from next week. These children will need to bring a packed lunch.

No meals are available for keyworker children (those who are not entitled to a free school meal) who are attending school, they will be asked to bring in their own packed lunch.

However, children who are entitled to free school meals (FSM) will be provided with a lunch in school from next week.

Children who are NOT attending school:

Free School Meals will be provided to those children entitled to but who are not able to attend school. This will be in the form of a packed lunch. Please confirm to us on 01752 482960 or admin@goosewell.plymouth.sch.uk that you wish to collect a packed lunch. This will then be available for collection at 12.15pm each day, at the back of the Drama Hall, via the delivery entrance at the back of the school.

Yours sincerely

James Gentile
