HAPPY NEW YEAR AND WELCOME BACK!

NEW YEAR, NEW GOALS:

We began the meeting with a chat about the coming year. Everyone is keen to get on with new projects to make our school even better! We talked about what it means to be a school councillor, what our roles are and how we are the voice of the children of St Day and Carharrack School. Each class representative agreed to find their class suggestions book and ask lots of questions to find out what the children want!

HOT TOPIC - GOLDEN TIME:

The first item that came up this year was Golden Time. Some children are concerned that they are not getting the most out of their time. Suggestions put forward included:

Revamp the activities

Have a rota for activities

Join the key stages together so there are more activities to choose from

Make sure it is a timetabled event

HEALTHY TUCK SHOP:

Most children are looking forward to beginning this new venture. Please let your class representative know if you have any ideas or would like to be a part of running this shop!

REWARDS/CONSEQUENCES:

There is a general feeling amongst the children that rewards and consequences need to be made clear again. Children feel that there is an element of unfairness and would like a reminder. Also, lots of children felt they had lost out on the rewards system that we used previously. Some had saved their points for a long time and have not received their reward yet.

MUSIC ROOM:

An issue that has been raised by more than one class is children in the music room. There is general concern that the music room is being used for the wrong reasons and that as a result it has become messy and equipment is getting damaged.

Possible solutions:

No children allowed without an adult

A checking rota (make sure lights are off and the room is left tidy etc)

CARPETS/RUGS:

Turquoise class and Jade class say that sitting on the carpet is extremely uncomfortable! They are open to suggestions to solve this problem.
