# SCHOOL COUNCIL MINUTES

Date: 03/07/17

<b>Missing members</b> HT	<b>Apologies</b> EM, LJ	<b>Briefers</b> Mrs Hicks
1. Suggestions box: None.		
2. Classroom names: Three more suggestions were put forward. We added these ideas to this list, 'Cars', 'Cornish myths and legends' and 'famous 'Cornish people'. Children were given 3 votes each. Mrs Hicks read each of the ideas and counted the votes for each one. The winning idea has been taken to Mrs Willsher who has narrowed the winning theme down to two lists. Children will make a final vote on Monday.		
3. We talked about the KS2 boys toilets. Children from class 4 and class 5 have voiced their concerns. School council children were passionate about this too. The issues raised were: <ul style="list-style-type: none"><li>- No lock on the door.</li><li>- No privacy (boys can look over/under the partitioning walls)</li><li>- The hand dryer does not work (same in girls toilets)</li></ul>		
4. The locks on the new toilets in class 2 have been reported broken already. Can they be fixed?		
5. Class 2 have reported an issue with one of the computers. Please can class 2 report this to Mrs Manley.		
6. Class 6 would like to wear their new school leaver's hoodies from the time they arrive to the end of term? Is this possible?		
7. School Council will hold their final meeting on Monday the 17 <sup>th</sup> .  The children would like to take this opportunity to say how much they have enjoyed being councillors. They hope that next year's members will enjoy it as much as they have!
