<p>1. Welcome School Council 2018/19! Our first meeting certainly set the tone for the year. Our new representatives are amazingly enthusiastic and have so many fantastic ideas. They are excellent role models and have a great understanding of what is expected of them over the coming year.</p> <p>Corbin (Opal) said, "It's our job to speak out for each other." India (Jade) said, "We need to respect each other and do good listening."</p>		
<p>2. CLASS SUGGESTIONS:</p> <p>Turquoise: Running through the school is still a problem at times. We discussed how we could manage this better. Some of the suggestions were:</p> <ul style="list-style-type: none">-Make some new signs to encourage walking.-Running could be an immediate loss of 5 mins Golden Time.-Launch a competition between classes. Children loose a point if they are running. The class with the most points at the end of the week wins something.-Stickers could be handed out by School Council members for good walking. <p>Many children enjoyed being part of a 'house' and would love to see the return of them for sports days and other 'whole school' events.</p> <p>Topaz: Children from Topaz class would like their classroom to be re-painted. Lydia and Jacob voiced the concerns of the class. They said how the paint is peeling off the wall and it makes the classroom feel 'tatty' and it makes them feel sad.</p>
