

St Breock Primary School

Head of School: Mrs S Hall

Dear Parents

I am delighted to be welcoming you to our school at the beginning of your child's journey through primary education.

The beginning of this year is different than usual and as you will understand we are unable to have any of our normal face to face meetings, which would have been happening around this time.

We have been able to set up a transition programme, which will commence over the coming weeks, in place of our usual arrangements and I hope you will find it answers many of your and your child's questions about starting full time school.

Much of this will be via our school website, so if you have not yet done so, familiarise yourselves with that. The area where we will be placing all the information on starting school will be under the Parents tab at the top and then follow the Starting School Link. There is a link to take you straight there below.

https://www.stbreock.org.uk/web/starting_school/490742

Here there will be a copy of the Welcome Booklet, also included in this email and over the next few weeks we will be adding videos and stories from our FS2 class teacher Mrs Merrick. We will let you know when they are available to share at home with your child. I have also asked Mrs Merrick to start making phone calls to you all so you are able to meet her and talk through any questions or queries you may have.

I understand that, whether this is your first or last child to start at our school, there is a lot to take in and every child is different so please know that Mrs Merrick & I are here to support you with anything you need in preparation for day 1. Unfortunately, I am unable to confirm an exact start date, but will do so as soon as I can.

For now take your time to read through the Welcome Booklet and Mrs Merrick will be in touch very soon.

Many thanks.

Yours sincerely

Mrs Sian Hall

Head of School
