

# Holywell P.E. and Sport Newsletter 2

## Spring

This term once again has been extremely busy with several competitions. Our first was our Year 5/6 Cross Country competition which was held at Priory Park. We were lucky to be able to enter 2 boy's and 2 girl's teams. The children all rose to the challenge and worked fantastically together to achieve their best.

The results for the boy's races were:

Holywell A team – finished in 30<sup>th</sup> place  
Holywell B team – finished in 64<sup>th</sup> place

The girl's races were:

Holywell A team – finished in 28<sup>th</sup> place  
Holywell B team – finished in 99<sup>th</sup> place

An excellent result for all our teams considering there were over 120 teams competing in both competitions.

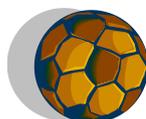

We would like to say a massive thank you to our two reserves, Joel and Thomas in Year 5, for standing in at the last minute due to illness. An even bigger thank you goes to Ms Kate Abdee and Mrs Emma Taylor for volunteering to coach our runners at the after school club and at the event. We really could not have entered this competition without your support

Our second event was for our Netball teams. The tournament was held at Hinchingsbrooke School. It was an amazing afternoon with lots of schools competing. Both our teams were an absolute credit to Holywell – their behaviour and teamwork was first class and their hard work definitely paid off. Our A team won their competition beating Stukeley Meadows in the final, and will go through to the regional play offs in July. Our B team also came joint first, sharing their trophy with Great Gidding. Congratulations – we are very proud of you all. Once again we could not have done this without the wonderful coach, Mrs Karen Tyers, who comes every Friday, come rain or shine, to coach our talented children. Thank you Karen from all of us at Holywell. We would also like to thank all you parents who transported the children to and from the venue and for staying and supporting them throughout their matches.

After half-term our A team football team will be playing in the football Cup completion at Westfields, we will update you on the results next term.

## Golden Mile and Just Dance

We are continuing to encourage children to run the Golden Mile on a Tuesday and Wednesday morning before school. Now the lovely summer weather is here the Golden Mile will be held on the school playing field. You do not need to be a top athlete to join in; you can jog or walk the perimeter or the field. Just Dance will continue on a Friday morning in the School hall – this is proving to be a great success with the children and the staff. Please be advised that both these events start at 8.40.

## Playtimes & Lunchtimes

Several of our Year 5 children have received training from the Hunts Sports Partnership and are now 'Active Me' leaders. They lead the organisation of playground equipment for this and are playing interactive games with any children who want to join in. They are doing a great job and it is great to see all children joining in regardless of their age group.

## Updating the playground provision

We have ordered fixed multi-gym equipment to be installed for the children to use during playtimes and lunchtimes. We hope to have the equipment installed before September...we are awaiting confirmation of this!

## Sports Morning

Our annual Sports event has been booked for June 19<sup>th</sup> subject to the weather, with a reserve date of June 22<sup>nd</sup>. More details have been sent out in this week's mail drop.

## Sporting Achievements

This term's sporting stars are:

Hayden in Year 3 for winning his golf tournament.

Charlie in Year 5 for his County Cricket achievements.

Ebony in Year 4 for running in the Fen Drayton Fun Run.

Please send or email any photos of sporting achievements to the School Office as we love sharing the children's achievements with our School community.

We are looking into new Sporting clubs for September, and are hoping to start clubs through Premier Sports – if any parents, carers could help run a club, please get in touch.

We would like to ask any parents that would be willing to support us at sporting events, particularly refereeing, to let us know via the School Office. Or, if there are any parents who would enjoy running an after school club, please get in touch too. We would appreciate your support.

Have a happy and healthy half term holiday.

Mrs Butler and Mrs Purell
