Dear Parents,

Another busy week has flown by, we were really pleased to welcome some of our new children who will be joining Hedgehogs in September, for 'Stay and Play'. We also have several children joining us further up the school, they will join us for a visit before the end of term. These visits will be at the beginning of the week to maintain our bubbles, we will not be swapping classes in the usual way but will make sure children spend some time with their teacher for September and we will organise ways for them to communicate as we did last year which will help them to feel confident about the changes for September.

Special Awards this week:

Vaccinations

If you haven't already accessed your vaccination, you can book via the NHS booking website or by calling 119 (free). There are now more evening and weekend appointments available, and more slots are added regularly - so if you can't find a convenient slot straight away, just keep checking.

In addition, there are walk-in clinics where you can just turn up without an appointment. All the details of current walk-in clinics are published on this local

NHS website and on this Facebook page www.facebook.com/NHSNWCCG as soon as they are announced and this information is updated regularly.

Sports Day

Please make sure all children are prepared for the weather on Thursday with sunhats, water bottles and suncream. We will still work in houses whilst maintaining bubbles so please make sure children have the correct colour t-shirt.

Best wishes for the weekend,

Jennie Müller
