

Art on the Doorstep

	1	2	3	4	5
English	Create a list to describe Van Gogh's sunflowers.	Create a fact file on your favourite artist.	Create a leaflet for the Tate Gallery, St Ives.	Produce an A-Z of artists. How many can you find?	Write a detailed description of the Garden of Gethsemane.
Maths	Practice your 3x, 4x, 8x and 6x tables. You should know these forward and back, in any order! Collect a Maths worksheet from your teacher.				
Science & History	Plant a seed. Write instructions based on what you did.	Make a list of flowers which you can see appearing.	Look carefully at different fruits. Draw a picture of ones containing seeds.	Draw and label parts of a flower.	Explore a local area and make a list of art which you find.
Art & Design	Paint a picture of a flower or of your garden.	Re-create a famous Artists' painting in your own style.	Make a sculpture out of our recycled materials.	Create a flower diagram from found objects outside.	Make a 3D model of a flower or a plant.
RE	Create a poster for our value of truthfulness.	What have you had to show the value of truthfulness? How did you feel?	Write a prayer based on truthfulness.	Produce 6 stage comic strip based on Adam and Eve eating the forbidden fruit.	Create your own story based on truthfulness.

Choose one of these activities to do each week. The activities range from 1–5, 1 being the easiest and 5 being trickier. Try to choose one from a different subject and a different level each week. All these activities link in with our topic this term.
