### Term 3 2020-2021 – Week 5

Dear Parents and Carers,

We have started February with a bit more energy and whilst the challenge of home learning is still ahead of us, we are looking forward to half term when we can relax for a bit and come off timetable.

The afternoons are starting to stay lighter for longer and spring is just around the corner. We are very grateful for all your support. Please know that we are always here for you and can correspond by email, phone, teams or Zoom to help and advise, At the Hub we have found music a good way to get the children moving and produce endorphins, which act like a ‘happiness booster’. With that in mind we have attached the following song to give you a boost [Walking on Sunshine](#) which worked a treat in Bubble 3 this week!

#### PARENT CONSULTATIONS

These meetings will be held on Tuesday 9<sup>th</sup> February and Thursday 11<sup>th</sup> February. Please use your parent log in to sign-up on the learning portal. If you have any trouble with this then please contact the school office who will assist you. Thank you.

#### CHILDREN'S MENTAL HEALTH WEEK

It has been lovely to see a focus on children's mental health this week and today is our first no screens day, which is very exciting. We hope that you have enjoyed doing some of the activities sent out.

The children at the Hub have enjoyed a range of activities including a morning wellie walk, making colour wheels, pocket hugs, dinosaur models, fossils and playing phonics and maths games e.t.c.

#### ONLINE LEARNING

Safer Internet day is next Tuesday 9<sup>th</sup> February and we will be covering this with the children at home and school. If you have any questions or concerns regarding their use of the internet then please let us know. Here is a parent link to a useful site.

#### CHINESE NEW YEAR

Next Friday (12<sup>th</sup> February) is Chinese New Year. We will be celebrating this at the Hub by asking the children to wear red for the day and providing some opportunities to learn more about this festival. Our home learners can join in this too by finding something red to wear for the day and share any related news, artefacts e.t.c on their Zoom session that day.

## VIEW FROM MY WINDOW COMPETITION

We have decided to extend the time on this competition to give some children a bit more time to finish their creations. Please send a picture of your piece to Mrs Coakley via the school office. We have attached the info again for your information.

With warm regards,  
Mrs Rachel West and Mrs Vicki Brown
