Dear Parents,

## Book Fair 2019

A HUGE 'Thank you' to all those who enjoyed browsing and buying from our book fair this year. 25% of all purchases is given back to school to spend on new books for our classrooms, this year we have raised £90 to help restock our book shelves.

## Fairy Workshop

What an absolutely fun day we had on Friday! I am not sure who enjoyed it most- the children or the adults! Thanks so much to Naomi of Naturemake and to the Guild of Craftsmen and the school 'Friends' for funding it. The fairy houses look amazing. The children really let their imaginations run wild! In Class 1, we have written a recount of what we did and what we enjoyed making. We have also written a descriptive piece of writing persuading a fairy to move in! The houses are going to continue to inspire our Literacy for the rest of term!

## Christmas Tree Competition

Mole Valley have set up a competition for all schools. They are giving us a Christmas tree to decorate as nicely as we can. Pictures of the trees will be displayed in store and the winner will receive £50 voucher. We would like to take part and would like all the children to make a creative hanging decoration to put on our tree this year. If you could bring them into school on Monday 2nd December we can get decorating!

Things to think about:

- The weight of your decoration - if it's too heavy it will fall off!
- The size of your decoration - it needs to be able to hang off a branch
- Be super creative!

The more colourful the better!

Have Fun!!

## **BINGO**

A big thank you to 'The Friends' who worked very hard to organise this evening and to everyone who came or donated something. The Friends raised £515.70 towards school funds. As ever we are truly grateful for all the hard work and your support. Thank you.

## Christmas Draw Hampers

The Friends have put up a list of items needed for the Christmas draw raffle prizes. Please tick an item for them if you can help.

## Parent Forum

It was great to hold our first 'Parent Forum' this week and thank you to the parents who have joined us. The minutes will be circulated next week. The next meeting will be 4th March 2020. Anything that you would like discussed can be emailed in or posted in the letter box. Or please feel free to chat to Sammy Steer Fowler, Molly Pincombe or Florence Millman.

## South Molton Lantern Parade

All children are invited to attend this parade on Friday 29th November at 5:45pm. Please read the details over the page that provides all information. We look forward to seeing you there.

## Rugby

Today some of our older children are joining in a Rugby Tournament at Morchard School. We hope they have a great afternoon.

## Class 1 plea

please send in any empty cereal boxes you may have.

Sports Club—every Thursday lunch time for the whole school run by Saints South West

## South Molton Lantern Parade

All children at Kings Nympton are invited to attend the South Molton Lantern Parade on Friday 29<sup>th</sup> November. The KS2 children will be carrying the lanterns they have been making in DT lessons this term and walking in the parade with any other children who would like to go. It would be great to have as many parents and children as possible coming to this event so we can show what wonderful things we do at our school and be a part of our wider community.

Please meet the staff at the old Quince Honey Farm site, at 5:45pm. Parents must be responsible for their children throughout this parade, which lasts for no longer than 30 minutes, after which you are welcome to browse the other magical events that are taking place.

The children's lanterns will be brought home on this night for the parade but please could you ensure they are returned to school on Monday 2<sup>nd</sup> December in readiness for our Christmas celebration on Tuesday 10<sup>th</sup> December.

This is a lovely evening, when Kings Nympton can really show how creative and hard working we all are.

## Community Events

Christmas Cream tea and Craft fair 11- 4 pm, Sunday 15th December,  
Kings Nympton Parish Hall

Gift and produce Stalls, Grand Draw, Competition.
