

Being a parent can be challenging especially when our children are struggling with their emotional well-being. We often think we're getting it wrong, feel alone and have no where to turn.

**Join HOPE zoom parent support sessions;
a safe place to find information, chat and
learn from each other through
shared experience.**

Wednesday 3rd March: 10.00am and 7.00pm

Supporting your child through school return and covid fear.

Practical ideas, resources and chat to help you address any worries and fears your child may have about returning to school and covid fear.

You don't need to be on camera or speak, you can use the chat facility or just listen
