

Wednesday 18th March 2020

Dear Parents and Carers,

Many thanks for your ongoing support. School is running smoothly and is currently a very calm environment to be within.

**Key Actions and Notices for Parents, Careers and Staff:
PYTHON MEETING 3**

1. Please can we remind parents and carers that the self-isolating period is 14 days. We have had a number of children return to school after having had a high temperature or cough which has since subsided. Whilst we understand that children are presenting as fit and well we must follow the current government guidance in order to keep us all safe.
2. Staff are currently working to ensure we have work prepared for children to access on the website. This will be a range of curriculum subjects, project work, well-being activities and some online tasks. This information will be available to access from Friday. Currently all classes are continuing to be taught as usual therefore unfortunately due to the volume of children absent we cannot provide individual activities for children this week.

At this time, the Office are understandably receiving a high number of calls. Please can we politely ask that we restrict these to urgent calls only.

We are putting all updates on our website

<http://www.westjesmondprimary.org.uk/website/coronavirus/457544>

Thank you for your support.

Best Wishes

Gary Wallis-Clarke
