

## Working Together

It was lovely to have the opportunity to meet with some of you this week for our Open Doors event. Thank you for taking this opportunity to talk to your child's teacher and pass on comments and suggestions to myself.

This is a good opportunity to remind you all to contact the school office directly if you have a query or message you need pass on to us. Please also speak to your child's teacher in the first instance- you do not need to wait for a scheduled Open Doors event. It is always good to talk face to face.

## Traffic Disruption

Thank you for your patience with the continuing road works. The access to the school is now back to normal so can we please ask that you ensure you use this entrance. We have received some communication that vehicles are still using the one-way system incorrectly. Thank you

### COOKERY CLUBS

Please can the children bring in a container to take their food home in. If they have their own apron and would like to bring it each week, they are more than welcome. We will be cooking savour or sweet dishes each week and I hope they enjoy making and eating them.

### Hall Handover celebration – Wednesday 13<sup>th</sup> Nov

This event is an opportunity for the school to thank Midas and the Duchy of Cornwall team members for our fabulous school building. The event will open to parents/carers from 2.30pm for a short presentation (standing room only). Entrance will be through the arched hall doors – not the school entrance.. Please note there will no facilities for pushchairs and we request no stiletto heels. Due to limited parking we strongly urge parents to walk if possible as we have over 70 invited guests arriving earlier in the day and parking will be challenging!

There will be further opportunities for parents to join us in the run up to Christmas to see the children perform.
