

Getting to Know You

It was wonderful to welcome so many of you into school last week for our Open Doors event. We hope you were able to make the most of this opportunity to get to know your child's teacher a little more and to find out more about the school.

We will hold further open doors events later in the term.

Meanwhile, please talk to your child's teacher in the first instance if you have any questions or concerns.

Skol Nansledan Newsletter

Date of Issue:

1st October 2019

Today's Learners, Tomorrow's Leaders!

Pupils in Trevithick Class (Years 3-6) have been applying for roles of responsibility at school. They have responded to job adverts and recruitment activities are underway. We are really impressed with the maturity and reliability they have already demonstrated.

Annual Nasal Flu Vaccination

All children Reception to Year 6 (inclusive) will be offered the flu vaccine. This is a free service, administered by a quick and simple spray up the nose. This will take place in school on Friday 18th October. If you would like your child to receive this vaccine you need to opt in by Friday 11th October. If a consent form is not submitted your child will not be vaccinated. Please give your consent and quote the school reference code: EE147079 by visiting <https://www.kernowimmunisations.co.uk/forms/flu> to give your consent. If you have any problems please telephone Kernow Health on 01872 221105/06 and they will be happy to help.

Arbour App

This allows us to contact you by email and text for free. It also gives you access to information about your child's records at school and is used to make payments and bookings.

Please sign up if you haven't already done so or contact the school office for some help!

Nansledan Key Stage 2 News

I want to update you on an important development. We have been approached by Cornwall Council with a request to open another Key Stage 2 Class. This is the result of the popularity of the school and the current shortage of school places for KS2 children in the Newquay area.

We are looking to create an additional class which will mean that Y3/4 and Y5/6 can be taught separately although they will continue to work closely together for some aspects of our STEAM curriculum.

This development means we need to recruit additional staff members to the team. The recruitment process has already begun but timings and further details can not be confirmed at this stage. We will keep you updated on a weekly basis going forwards.

Air Ambulance Fundraising Day – 11.10.19

We are inviting pupils and staff to wear red and/or yellow non-uniform clothes and bring a £1 donation towards the new Air Ambulance. We're pleased to be supporting one of our most local charities.

Thank you for your support,

Mrs Vicky Dilnot

Coming up: Tempest Photography will be visiting school on Monday 28th October for school photographs. Sibling group photos will be taken from 8:15am.

We will shortly be sharing with you dates and details of our 2019 Christmas Productions. Please watch this space!

Please note that further dates will be added to this diary, including a range of sporting events, special curriculum events, trips and residential visits. Additionally, your child's class will also be inviting you into school for some STEAM curriculum events later in the year. Wherever possible, we will avoid any changes to these diary dates. When we are forced to make a change, we will endeavour to inform you at the earliest possibility.

Term dates and school events are also found on our school website.
