

## Coronavirus (COVID-19) Safety Measures

For information on our control measures across all Aspire schools, please check the [Aspire website Coronavirus](#)

If you need to report a positive pupil test out of school hours please click on the link below:

[Reporting a Positive Case](#)

PHOTO: Y6 pedalling towards the weekend and Half Term!

Date of Issue:  
**28th May 2021**

A reminder that next week is half term.

We hope you all have a fantastic break and look forward to seeing you all when we reopen on Monday 7<sup>th</sup> May.

**INSET DAY – Friday 11<sup>th</sup> June**

## Absences

A polite reminder that if you are taking your child out of school for a holiday or any other event, then a holiday absence request form should be filled in prior to the absence. This can be obtained by emailing or calling the school office.

## Medical appointments

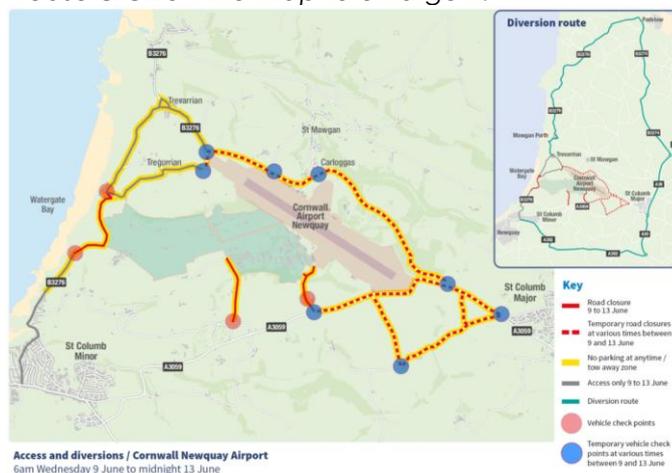

If you need to take your child out of school for any length of time to attend a medical appointment, then the school must be notified in advance. We also ask that non-essential dental and eye appointments are made outside of school hours.

Thank you.

## G7 Summit

You will be aware that the G7 summit is coming to Cornwall in early June. This is exciting in many ways and we will be marking the event by taking part in musical events in addition to enhanced STEAM curriculum activities.

An unfortunate knock-on effect is the likely disruption to roads around the local area. This is particularly the case from 9<sup>th</sup>-13<sup>th</sup> June. We are closed for INSET on Friday 11<sup>th</sup> but are concerned about the likely disruption on Thursday 10<sup>th</sup> and Monday 14<sup>th</sup> June. Please allow plenty of time for your journey to school if you travel by road as closures near to Newquay Airport will cause delays to the surrounding area. *Please click on the map to enlarge it:*

We've had a very busy half term and it has been wonderful to see the activities and work the children have produced as part of their STEAM learning, English lessons and Maths. Favourite moments this term have included Y6 Bikeability, Y3/4's amazing skills and enjoyment in PE lessons, gardening and growing, amazing art work and our really super EYFS super heroes!

After Covid restricting some aspects of school life, we are now enjoying a gradual opening up, looking forward to Y5/6 to swimming lessons and Y3/4 learning rugby with Cornish Pirates and Y2 recorder lessons. We also have school photographs coming up and plans being formulated for an in-school sports day. We really are looking forward to next half term!

Thank you for your ongoing support,

*Mrs Vicky Dilnot*

Head of School
