School Trips- Payments & Packed Lunches

Years 5 & 6

If your child is in Y5 or Y6, they are due to go on a school trip via coach in the last week of term (Wednesday 21st July) and for daily swimming lessons starting on Monday 12th July. If you haven't already given consent and your payment via Arbor, please do this at the earliest convenience. They need a packed lunch for the day trip.

Years 3 & 4

Sadly the beach outing had to be postponed but is being rearranged for September. Meanwhile they have some exciting outdoor learning activities to enjoy both today and over the last 2 weeks of term.

Year 2

Consent and payment for the Y2 trip to Carlyon Bay on Wednesday 12th July is also open on Arbor. All children will be provided with a school packed lunch. They must have a sun hat and suitable clothing.

Year 1 and Reception

Children in YR and Y1 will all be ordered a school packed lunch on the days of their excursions. Please ensure they are wearing sun cream and have a suitable sun hat/ waterproof, according to the weather.

Bubble closures & Bubble returns!

We want to extend a big thank you to all pupils and families for helping us swiftly and safely close bubbles over these past two weeks. We are delighted to welcome back Children and staff from Y2, Y3 & Y4 today and also Y5 & Y6 who returned to school on Monday.

We continue to miss those of you isolating at home as close contacts or having tested positive for Covid. You are in our thoughts and we look forward to seeing you again soon. In the time being, please contact us if we can do anything to support you at this time, including helping you access Remote Learning through a laptop or digital device.

Sadly, these closures have caused inevitable disruption to planned events and disappointment to so many of us. We continue to do what we can to ensure as many positive memories can be made between now and the end of term as is possible.

Dogs

A polite reminder that dogs are not permitted on the premises inside the green fencing.

Please can you also ensure that, if they need to be left tied up, they are NOT tied to the light bollards as these are fragile and have needed repairing on several occasions. Thanks!

New Classes & New Teachers for September

On Monday 12th July, children, parents and carers will receive information about their new class for September. Over the next 2 weeks, children will have the opportunity to meet their teachers and participate in a range of transition activities. We look forward to arranging a September "Meet the Teacher" event for parents and finally be able to invite you into your children's' classrooms again!
