**31<sup>st</sup> January 2020**

Dear Parents/Carers

We wrote to you last year to inform you that mining features had been identified at the Infants' Academy. We are now in a position to let you know more information about the mining works we have planned to address these features.

Rhos Construction will begin their works on Monday 3<sup>rd</sup> February. They will start at the Ocean Housing properties adjacent to the two academies. On Friday 14<sup>th</sup> February (Academy INSET day), Rhos will locate their site office on the Infants' Academy site and start work during February half term. The works are scheduled to last 7 - 8 weeks.

We would like to assure parents that all works will be safely contained within safety fencing and that there will be no access for children. We will hold assemblies at both academies to educate children about the importance of site safety; we trust you will reinforce this message at home.

If you have any questions regarding this, please contact the school office and we will forward these to the Aspire Premises Team.

Your support in this matter is appreciated.

Kind regards,

Mr M Brady (Acting Head of School – Biscovey Academy)  
Mrs V French (Head of School – Biscovey Nursery and Infants' Academy)
