

St Merryn School Home-School Agreement

Parents and carers are a child's first educators. At St Merryn Primary School we believe that children will learn best if parents know, understand and are in agreement with the aims of the school. This agreement is to help the school and parents to work in partnership in order to support the children's learning.

Parents I/we will:

- See that my child attends school on time 8:55am and is collected on time 3:10pm
- Ensure my child is dressed according to the uniform policy
- Support the school's behaviour policy
- Inform the school of any concerns or problems that might affect my child's learning
- Attend parents' evening and discussions about my child
- Get to know and 'where possible' contribute to my child's life at the school
- Ensure children have a good nights sleep and a good breakfast so they are ready to learn when they arrive at school

The School will:

- Ensure your child achieves their full potential through a broad and balanced curriculum that meets their needs
- Care for your child's safety and well being
- Inform you of your child's progress at regular meetings
- Keep parents informed about school activities through texts, newsletters and notices
- Be opening and welcoming at all times and offer opportunities for you to become part of the daily life at school
