"Live Love and Learn Together"

St Catherine's Catholic Primary School Sports PE (Sports Premium) Funding Report: 2018-2019

What is the Sports Premium?

The Government is providing funding of £150 million per annum for academic years 2013/14, 2014/15, 2016/17, 2017/2018 and 2018/19 to provide new, substantial primary school sport funding. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and sees money going directly to primary schools to spend on improving the quality of sport and PE for all their children. For 2018/2019 we anticipate funding of £16,180. The sport funding can only be spent on sport and PE provision in schools.

St Catherine's has determined that the funding must be used so that:

- All pupils benefit regardless of sporting ability
- All children benefit from increased access to extra-curricular activities, either after school or lunchtime
- That the children take part in extra-curricular activities that improve self-confidence and teamwork
- That staff have access to training and opportunities and continued professional development so that PE expertise remains in the school after funding has completed.

In the 2018/19 academic year, we intend to:

Continue to endeavour to develop a range of skills and qualities which develops the whole child through our sports programme.

The skills and qualities this will include, will be:

- Determination
- Passion
- self-belief
- honesty
- sportsmanship
- team work
- competitiveness

We will be spending our school sports funding for this year on:

- Specialist sports coaches employed
- Partnership with the Bridport and Beaminster PLT which allows us access to regular staff development opportunities across a range of sports including; rugby, football, tennis, netball, hockey and gymnastics.
- A comprehensive timetable of inter-school competition within the Bridport and Beaminster PLT and access to Schools Games Competitions
- Year 5 and Year 6 students have the opportunity to complete leadership programmes which prepare them to be sports ambassadors.
- Regular meetings of PE coordinators to work together organising competitions and offering other sports leagues.
- Opportunities for pupils to experience different activities off the school site

Focus	Intended Outcomes	Evaluation	Funding Breakdown	Impact
Specialist Coach employed for the delivery of high quality PE and Sports Lessons and after school clubs	Ensure high quality delivery, engagement and enjoyment for all	All classes received specialist teaching and staff observed and utilised skills learnt in their lessons This needs to continue in next year as coaches difficult to secure –pupils attended local events with other pupils from local schools	£9,713	Enhanced skills of the pupils throughout the school through high quality coaching in a range of sports.
Implement a mile a day across the whole school	Increased fitness of all pupils and improved concentration in curriculum lessons	All classes have at least taken part in a mile a week – this needs to be built up next year PTFA also looking at the possibility of a running track		Increased fitness and stamina of all pupils
Opportunities for pupils to achieve mastery in Sports	Ability to join in events both from an engagement view point and competitive competitions within the locality and the opportunity to progress to county events. Able to attend events beyond walking distance of the school	All pupils engaged in sporting activities Participation in local and County cross country competitions: Dorset Schools Cross country Championship at Bournemouth and races at Clayesmore School against runners from all over Dorset and Somerset <ul style="list-style-type: none"> • Primary Leadership Academy • Multi skills Festival Years 1 and 2 • In School Cricket Coaching for Years 1,2 &3 • Y3 attended Hockey festival and Dance festival. • Y4 attended Badminton and Tri-golf • Y3 and Y4 pupils attended tennis festival • Year 5 and 6 Cricket Tournament • Year 4 Big Swing Tri Golf • 6 a side Football Tournament • Year 5/6 High 5 Netball • Participation in Kenway Cup • Tag Rugby Local Tournament Winners • West Dorset Quad Kids • Sailing for Year 5 • Whole school sports Day. • Activities linked to skills taught and traditional running • Pupils had access to a range of 	£1,200 (supply cover to release staff to accompany pupils)	Y3 running team (57 runners in total) the A team came 1 st at Colfox Y4/5/6 Girls team (82 runners in total) the A team came 1 st at Colfox Y4/5/6 Boys team (102 runners in total) the A team came 1 st at Colfox Y3 running team (55 runners in total) the A team came 1 st at Beaminster Y4/5/6 Girls team (74 runners in total) the A team came 2 nd at Beaminster Y4/5/6 Boys team (92 runners in total) the A team came joint 1 st at Beaminster Primary Relay Race at Colfox Y3 running team the A team came 1 st Y4/5/6 Girls team came 1 st Y4/5/6 Boys team came 6 th

		<ul style="list-style-type: none"> competitive activities against local schools organised by West Dorset Sports partnership 		
Access to regular staff development opportunities across a range of sports	Providing access to interschool competitions and to a range of sports for pupils, giving confidence	Colfox Sports partnership	£3300	Sport leaders trained Many opportunities for whole class, groups and teams to participate in a range of events
Specialist Coach employed for the delivery of high quality Sports Lessons and after school clubs	Ensure high quality delivery, engagement and enjoyment for all	Coaching from Fottie4Dorset have delivered both football sessions and multi-skills sessions to Y3 and Y4 and as a result they have improved their ball skills in lessons Year 2-6 have been able to take part in after school football club	£660	High quality football skills and competition.
Update appropriate equipment	To enhance application and encourage engagement	Improved the engagement and application Resources aided the teaching delivery and improved outcomes.	£1000	
External sports coach swimming	Provision for whole school -ensures confident early swimmers – important for a seaside town.	After review of the current operation of the school swimming pool, both financial measures and health and safety liabilities needed to be addressed and resolved by the school. Until such time as the school are able to comply with these actions, the pool must remain out of use. The swimming pool was found to be too costly and not effectively budgeted for from within the school budget. All of the financial costs derived from staff training; and the maintenance, heating and running of the swimming pool, including the supervision of children both in and out of the pool. Due to the lateness of this, we were unable to find alternative arrangements for academic year of 2018-19 but have secured swimming lessons at local leisure centre for 2019-20 for Y6, Y5 Y4	£2,295	What percentage of 18/19 Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 meters? 70% What percentage of 18/19 Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? 70% What percentage of 18/19 Year 6 cohort perform safe self-rescue in different water-based situations? 70%
