

# Key Stage 1

Happy New Year! We hope you all had a good holiday and are ready for the term ahead.

Year 1 pupils had a fantastic time learning about 'Magical Monsters' and they completed some wonderful work across the curriculum.

This half term our theme is 'Superheroes', beginning with our Superhero Day. We will be reading a range of superhero stories and thinking about what it really means to be a hero. In Art and History we will be learning about Benjamin Disraeli and Hughenden Manor, please take your child to visit Hughenden Manor if you can.

Last term Year 2 enjoyed learning about The History of Flight. The children planned their own journeys and wrote recounts. They enjoyed learning about space travel and made their own rockets. The children also made brilliant 3D hot air balloons.

This half term our topic is 'Fire Fire!' The children will be reading fire stories, writing fire poems and will learn about The Great Fire of London.

In DT the children will be making fire engines. To do this the children will all need a shoe box. Please send in any spare shoe boxes you have.

# Year 1

This half term we are learning about:

## English

- Superhero stories
- Speech and thought bubbles
- Descriptions
- Letters

## Maths

- Addition and subtraction within 20
