Dear Parents/Carers,

Many thanks to the parents, who have booked their children in for the emergency childcare, via the questionnaire that was sent for the Easter holiday emergency care. We are aware that some parents, who are accessing our emergency childcare, may now need childcare on the bank holidays.

School will remain open for families, if needed for the bank holidays, but we will be operating on even more of a skeleton staffing on these days and the kitchen will not be open so your child will need to bring in a packed lunch on those two days.

If you do require emergency childcare for the bank holidays, please can you email the school office to book on as this was not previously offered in the questionnaire that was sent out to parents.

The Bank holiday dates are:

**Friday 10th April - Good Friday.**

**Monday 13th April- Bank Holiday Monday.**

**S4YC provision:**

I have asked S4YC to try and maintain provision for our families before and after school during the Easter holidays as well. However, their numbers are really very low at the moment.

Please can I ask all families, who plan to use them, to book in with them so that they are able to see how many people will be using their facilities over the Easter holidays and then they can organise staffing appropriately for this. This must be done before midnight by Friday 3rd April 2020.

It would be helpful, if you could also email us, just so we know which families are wanting to access the services of S4YC as well. Also, please can you ensure that you haven't booked in with S4YC, unless you are using their services, as last week they came to school for some families who had booked on but those families were not actually accessing the emergency childcare facility.

Thank you for your continued support.

Kind regards.

Mrs McAleny
