

Things we are putting in place to minimise risk	Things to think about	What if I chose to keep my child at home?
<p>Children will stay in bubbles which will NOT interact with other bubbles.</p> 	<p>School hours will be slightly changed and staggered to ensure everyone can enter and leave the school safely. There will be no after school clubs. S4YC will only open to parents who have been accessing it since lockdown.</p> 	<p>You must inform school if you do not plan to come to school. Please phone 0151 342 3772. All places are offered on a full-time basis.</p> 
<p>Children will be dropped off and collected from different points across the school.</p> 	<p>Children travelling to school using gloves and face masks will be asked to take them off before entering the school building. We are following DfE guidance.</p>	<p>We will continue to provide home learning to your children.</p> 
<p>There will be a daily cleaning regime of the school and contact points will be cleaned throughout the day.</p> 	<p>A single parent/carer will drop off and will not be able to enter the building. No exceptions will be made.</p> 	<p>Parents will not be fined for non-attendance at school.</p> 
<p>Children will be regularly reminded on how to wash their hands effectively and there will be frequent handwashing. Each bubble will have a set of toilets allocated to them.</p> 	<p>Social distancing will be in place where possible, however this cannot be guaranteed within our school environment. In EYFS we will not be able to insist on social distancing.</p> 	<p>Any signs of symptoms must be reported immediately. If a child in the bubble has symptoms, everybody will be asked to self-isolate for 14 days. Children will not be able to return until they have been tested and have negative test result.</p> 
<p>Children will eat lunch with their bubble and have time outside. They will not be able to eat in the dinner hall as this would mean bubbles would mix.</p> 	<p>Children will need to bring their own water bottle to school. This must be cleaned thoroughly every day.</p> 	<p>Please contact school if you have any concerns you feel school can support you with. Check our website too.</p> 
<p>In KS1 and KS2 children will have their own resources. In EYFS, continuous provision has been reduced.</p> 	<p>School uniform does not need to be worn but clothing worn must be washed daily.</p> 	
	<p>Your child will need to bring a packed lunch to school or a packed lunch can be ordered via the kitchen. Unfortunately, hot dinners will not be available.</p>
