

Gayton Primary School

Our guide to
behaviour
on return to
school.

September 2020

Gayton Primary School

Remember that we always treat everyone with
kindness and respect.

Remember our school values:

Friendship

Respect

Compassion

Perseverance

Truthfulness

Courage

Your parents will be able to tell you where you will be entering and leaving school from. You must leave your parents at the school gate. .

You must wash your hands for 20 seconds with soap:

- when you arrive in school
- when return from breaks or change rooms
- after sneezing or coughing
- before and after eating

You will only be able to be with the children who are in the same bubble as you.

You will need to make sure that you stay in the allocated areas of the playground.

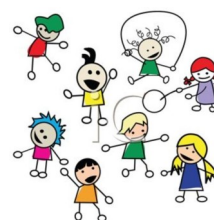

If you don't feel well you must tell an adult. If you don't feel well before you come to school you must tell your parent.

You need to bring your own pencil case into school with: pencil/rubber/colouring pens/pencils/ glue but this must then stay in school.

We know that everyone likes to share but at the moment we are asking you not to share the items in your pencil case with your friends.

When you go out to play, you will only be with your bubble . Each bubble will be given their own set of play equipment.

You will be told which toilets you can use and you must use these all day.

CATCH IT.

BIN IT.

KILL IT.

If you need to cough or sneeze, use a tissue, put it into the bin and then wash your hands for at least 20 seconds.

Be respectful of others- remember to socially distance yourself.
