Attaching Documents to a Google Assignment

Please see below for a set of instructions on how to attach documents to your child's assignment on Google Classroom. This can be used if your child would prefer to complete their work on paper rather than online.

Step 1

Sign in to Google using your child's educational account which has been sent out to you in a previous email. To remind you, the format is as follows:

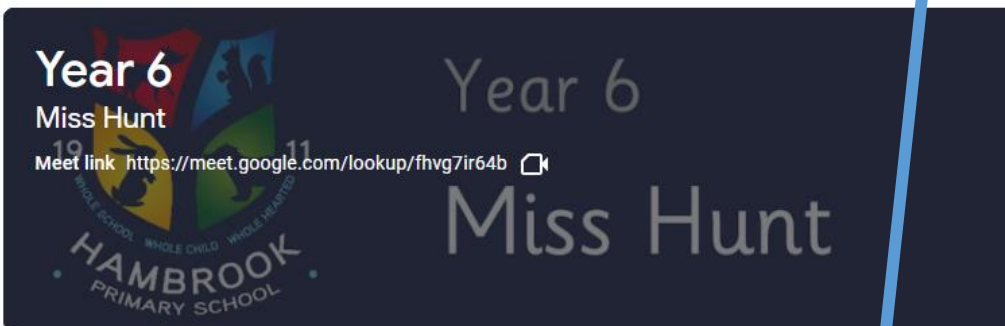

Username: [firstnamelastname@hambrookprimary.co.uk](mailto:firstname.lastname@hambrookprimary.co.uk)

Password: Hambrook123

Step 2

In your child's classroom, click on "Classwork" and you will see all of the current assignments your teacher has created.

Task 1- Today we are going to look at Francis' character throughout the story and study how she changes. I want you to pick out a word which best describes her at the beginning of the story and then again in the middle of the story. You are then going to put evidence to back up your point. These could be examples of things she has done, how she might be feeling or what she might be thinking.

Task 2- Complete the emotions graph for Francis. Which word best describes Francis in the following events.
