September 2020 Issue 002

Welcome back! When we came to write this, our second newsletter, we couldn't believe the first was written back in March. It seems a lifetime ago. We're sure you're all as relieved as we are to have the children back at school and to see them looking so happy to be back.

This Term for FOHS

We had our first committee meeting of the new academic year on the 16th September. Due to the current situation and government guidelines we decided to totally rethink what events we will be holding this term. We know, like us, you will miss the face to face social side of our usual events, but we believe we have come up with some really innovative ideas. For the list of what's coming up see over the page.

Come and Join the Fun

We are always on the look out for more volunteers. Whether that is joining the committee or helping at events we hold. Not being a committee member does not mean you aren't very welcome to help at events - it's always the more the merrier!
