Our Twitter page is now live! Thank you to all the parents who have returned their forms. We hope you enjoy this new way of us sharing the **fantastic** things that are happening daily at Hambrook Primary School.

Communicating with school

As a school we strongly encourage the use of official school methods of communication such as our newsletter, school website, text service and speaking directly with a member of our school staff team. Whilst we understand parents are trying to help one another by setting up facebook groups there have been several times in the last few weeks that incorrect information has been shared, this has caused concern and worry for parents unnecessarily. If you have a question or concern please speak to us by using one of the following methods:

- Each class teacher is available at the end of the school day in the playground for parents to speak to.
- I am available on the gate each morning for parents to speak to regarding whole school matters.
- You can e-mail the school office with a question or query office@hambrookprimary.org.uk and we will get back to you.
- You can come into the school and speak to Ms Williams in the office (office opening hours below).
- You can telephone the school office 0117 9568933.
