

Phase 1 – Ancient World History

Phase 2 – British History Study

Intrepid Explorers

As historians we will be learning about changes that have happened in Britain during the Tudor period and comparing this with a contemporary study from another culture (Aztecs, Mexico). We will use a range of evidence to find out about the past from different cultures and we will place events, artefacts and historical figures on a time line using dates.

As geographers we will be studying the oceans and continents using modern maps and comparing those to the Tudor equivalents. We will be looking at how the human and physical geography has changed over time in a European and non-European country. We will investigate the routes of Tudor explorers and traders.

As scientists we will be learning about classifying living things and also thinking about human nutrition

As artists we will be exploring the work of Mexican artist Frida Kahlo
