

Phase 1 - Ancient World History

Phase 2 - British History Study

Searching for Adventure

Our Curriculum will be driven by:

Identity & Diversity

Curiosity

Life skills

Environment

To explore our own identity and appreciate diversity, we will:

- Study significant individuals from the local area (Blackbeard)
- Explore the lives of everyday people from around the world

To develop our intellectual curiosity, we will:

- Ask questions about the lives of others within the wider world
- Ask questions to find out about the past

To learn new life skills and develop independence, we will:

- Learn how to use a globe to explore new places in the world

To understand our environment, we will:

- Explore the similarities and differences of our weather and climate compared to other countries

As historians we will be discussing significant people from the past (Blackbeard and Sir Francis Drake) and their experiences about what life for a pirate would have been like. We will also be discussing historical events (Spanish Armada).

As geographers we will be using a globe to visit new countries around the world. We will be comparing the similarities and differences of the physical geography (weather, climate, and oceans) of the United Kingdom with other countries around the world.

As artists we will be exploring different creative techniques used in the countries we visit.

As Scientists we will be learning about parts of the human body and comparing the changes in the seasons.

WOW Event:
