

Year One

First half of Summer Term

Here, There and Back Again

Literacy

Books we look at...

Non-fiction texts about animals

Non-fiction texts about the history of flight

We're Going on a Bear Hunt

Balloon for Grandad

We learn to...

Name and identify different animals

Recognise the different foods animals eat to survive

Re-sequence known stories and invent new settings

Invent an alternative ending for a story

Use adjectives and sound words (onomatopoeia)

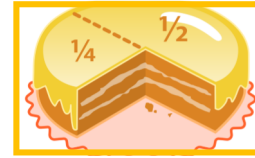

Create our own stories which include a beginning, middle and end

Maths

We learn...

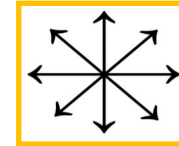

Number

- Multiplication and Division
- Fractions

Geometry

- Shape
- Position and Direction

Science

We learn about...

Comparing and describing a variety of common animals

Naming and Identifying animals

Grouping animals as mammals, birds, reptiles etc

Where animals live and what they eat

Computing

We learn to...

Program a Beebot to follow directional instructions around a maze—linked to the Bear Hunt sequence

Make a pictogram using 2Count to discuss which shapes

Geography

Learn about where we have travelled to locally, in England and across the world?

Revise the countries and capitals of the UK

Discuss different journeys and how we can travel there

History

Learn about the history of flight with the Wright Brothers and Amy Johnson

Art

Learn about and create...

Collages, sculptures and weaving

Through investigation of materials and their properties

RE

Learn about the church and its artefacts

PE

Fundamental skills with small and large apparatus

Games - P.E. specialist
