Dear Parents

I hope you had a lovely weekend. This is just a quick message as I'm conscious that you've been a bit bombarded...

Thank you for your continued patience with our Google Classroom. I am happy to report that we have it working now and new classrooms have been set up. From tomorrow, teachers will be assigning work to your children which will make it easier for everyone. When your child has completed their work, please upload a photo or return google document if so required, and the teacher can then respond on assignment.

I have copied a link which is for students/parents to use if new to Classroom, this article will show you around and help you complete common tasks. Obviously, we are a step beyond as most children have log ins etc (these shouldn't have changed) but it should help you with returning set work and so on.

Can I also thank you for your positive feedback and lovely messages. It really does mean a lot to us, as we are working so hard for your children.

As always, please don't hesitate to contact us if you're unsure.

Kind regards
