

# Bugle School & Nursery

Head of School: Mr L Rees

**Starting Reception September 2021**

June 2021

Dear Parents and Carers

In September we look forward to welcoming you and your child to Bugle School. The transition from Nursery or pre-school settings to Reception is an exciting adventure in your child's education journey and one we plan to make as seamless as possible.

You should have already been asked to complete an online admission form. Please contact [hello@bugleschool.org.uk](mailto:hello@bugleschool.org.uk) if you are yet to do this so we can complete the administration for your child.

Over the next few weeks, you will receive regular communication from the school, the teachers and staff who work with the Reception Class. A variety of videos, activities and ebooks will be made available for you to share with your child. The first is our READY poster. Please support your child by practising the suggestions regularly with all members of your immediate family. We know that all children are unique. By achieving many of the described READY skills your child will be best placed to succeed in the Early Years curriculum.

During the morning of **Wednesday 9<sup>th</sup> June**, I (Miss Penhall, Reception Class Teacher) will be calling you to talk to you directly about your child and their needs. Unfortunately, we are unable to do this face to face at present due to Coronavirus restrictions. If for any reason, the morning of 9<sup>th</sup> of June is not convenient for you, contact us at school and we can arrange an alternative call time.

Please look out for our next communication in a few weeks' time when we will be sending you our Welcome Booklet with essential details about the school.

We are hopeful that restrictions will continue to ease, and we will continue to update you with any changes in our transition arrangements following government guidelines.

Best wishes  
Miss C Penhall  
EYFS Lead and Reception Teacher
